Vision:

To be the trusted organization in providing outstanding consultancy services by using innovative technology, developing solutions to mitigate the issues and quality consulting services to the client

Mission:

- To provide the highest quality service to our clients by combining highly skilled team members with our proven methodology.
- To strive to support our projects with the most advanced technology to ensure us to take advantage of the efficiency and accuracy that offers.
- To consistently improve our deliverables to our clients and add value to the organization.
- To be honest and trustworthy in providing quality consulting service to the clients.

Objectives / Functions:

A full-fledged Industrial Consultancy Cell has been in existence since 2004 to extend the consultancy services offered to various Government and Private Organizations. The cell aims at building up better Industry-Institute Interaction by expanding the consultancy network of the departments, providing a platform to train the undergraduate & postgraduate students to face the real field problems and transferring the technology from academicians to field personnel and vice versa. It has proposals to organize Seminars, Workshops and Training camps for practicing engineers to update their knowledge. Efforts are being made to provide Quick and Quality consultancy services as per standard norms and procedures.

The works undertaken pertaining to the L&T Constructions (Super Specialty Hospital, Warangal), Roads & Buildings, Public Health Department, Irrigation Departments of Telangana State, Telangana State Generation Corporation Ltd., TRANSCO, and other various Government/Private Organizations like Bharath Petroleum Corporation Ltd., (BPCL), Madhucon Developers, Telangana State Police Housing Corporation, Mission Bhagiratha etc..
