Warangal (Urban): The Academic Section of the Kakatiya Institute of Technology and Science, Warangal (KITSW) organised a two-week AICTE-Induction programme for B Tech. first-year students for the academic year 2018-19 from July 19 to 31. In a press release here on Tuesday, Principal Prof K Ashoka Reddy said that the KITSW had been inculcating the scientific temper, cultivate the work culture, and zero ragging, no depression, social concern to improve the life skills and national integrity among the student community.

Art of Living trainer Kalyan Raghava, an alumnus of KITS, gave training to the B Tech first-year students to eradicate the stress and maintain the harmony in the society. On July 28, as a part of the AICTE, KITS Warangal Student Interactive session on 'Improvement of Life skills with Sahithyam, Sangeetham' (Fine arts) by Ampashaiah Naveen, was held at Auditorium, KITS Warangal. On July 27, Prof. S Lakshmana Murthy, retired professor, Department of English, Kakatiya University (KU), Warangal, also addressed the students to maintain a good relationship with the parents, friends, teachers, and society. Former principal, KU law college, Prof. Vijaychander,

Dr. Vivek Modi, KITSW Electrical & Electronics engineering alumnus, and Ranjith Kumar Bandaru, IPS, ASP, Karnataka state, shared his experiences in overcoming the stress during the B. Tech. course. KITSW Mechanical engineering alumnus and TS GENCO Engineer C. Rathnagar, Advisor Prof. Y. Manohar addressed the students.
