### Alumni visited the campus:

- 1) The Induction program was held in the college Auditorium on Thursday August 24, 2017 for 1st year Computer science and Engineering students . The event was diligently organized in a befitting manner. Our proud ALUMNUS, A.Sahitya Raj garu stated that she would forever be grateful for the institution and it's teachers for their scholarly work in shaping students into better individuals. she told that these four years of engineering is an important phase of life.She urged the students to hone and sharpen their potentials and talents to not only carve a niche for themselves but to bring glory to the society. she shared her fun memories of college life with the students and told them that asking questions is good and making mistakes is important because college is sanitized environment. she ended her speech conveying heartfelt thanks to the Institution and its teachers.

### **Mr.Giridhar Sadeneni:**

In this INTERCONNECT event our college alumni had shared their personal and professional experiences and also discuss briefly on current technologies in which they currently working on. The main aim of this event is to bridge the gap between students and technologies that are implemented in industries & get motivated by ideas and methods followed by our alumni. On session 1, panels 1, Mr. Abijith Yadugiri, Software Engineer II at Microsoft had enlightened the students about his experience. His speech had a great impact on the young minds who have attended the session at Auditorium. Session 2, panel 2, resumed at sharp 2pm at Silver Jubilee Seminar Hall where, Mr. Abijith Yadugiri continued his talk. He there shared his knowledge regarding Cloud Computing and Microsoft's work on Cloud. Next session was followed by Mr. Vishnu Babu Boyini, Telecommunication Maintainer at Central Railways, Kazipet. He suggested the student regarding the career choice after graduation and enlightened the students about the current competitive world along with his suggestions to choose between govt jobs and private jobs. **After him the session was continued by Mr. Giridhar Sadeneni, Director & CTO of Skillverse IT Training & Development Pvt. Ltd, sharing his experience behind the establishment of his company and how the current requirements in IT market are changing, concluding with the emerging nature of Python and its scope.**
