

Eye check-up at KITS, Warangal

NSS(National Service Scheme), a club of SAC (Student Activity Center) of KITS, Warangal organised a free eye camp on Saturday with the coordination of Vasan Eye Care. It was conducted under the guidance of NSS program officer Prof V Chandrasekhar. The camp was inaugurated by Dr V Lalitha Rao, Neonatal Specialist at USA who was also Chief Guest for the event.

Over all 600 people comprising students and staff were benefited from this camp. Dr V Lalitha Rao, spoke about the importance of eye check up during early stage. Dr V Vishwanath Rao, Member

EES Warangal, said that people affected with Diabetes should get regular eye check up done.

Dr P Ravinder Rao, Member EES Warangal, shared his personal experience of his preventive treatment regarding his eye ailment.

Dr K Ashoka Reddy quoted that according to World Health Organisation, 80 per cent blindness and other serious vital eye diseases are avoidable through prevention and timely treatment. Other dignitaries also spoke about the importance of eye care and eye camps.
