BEST PRACTICES

1. Strong student mentoring system
2. Continuous Evaluation System of students with 60:40 Scheme
3. Conduction of Annual Technical Fest to students for skill development Sumshodhini.
4. Regular practice of referring Business Newspaper by Students and Faculty and organizing Panel discussion in the classrooms with students
5. Integrating Research & Entrepreneurship activities in Outcome Based Teaching & Learning, curriculum designed giving weightage to Research and Case Studies and inclusion of presentations in the Internal Evaluation.

STRENGTHS

- Reputed Institution in the State and Country level.
- Faculty members in the Department either hold Doctorates degree or are pursuing PhD.
- Quality of Teaching Learning Process with the inclusion of I2RE in the syllabus.
- MBA program curriculum is regularly updated taking inputs from stakeholders

WEAKNESS:

- Telugu medium students and rural students are unable to cope with the dynamic nature of management studies.
- Lack of flexibility in admitting International students to MBA program.
- Impediments in providing industrial internships due to weak industrial presence

OPPORTUNITIES:

- Scope to introduce BBA programme
- Increasing trend of engineering students choosing MBA for higher education.
- Partnership with NITW to conduct programmes.
- Scope for Research activity and Research Centre recognition.

CHALLENGES

- To place all the eligible students
- Heterogeneity in the class becomes a challenge as students are from rural background

Capt. V. Lakshmikantha Rao, Hon'ble Ex. Member of Parliament (RS) & Chairman, KITSW, addressing the speaker **Prof. Mukul P.Gupta**, during the Talk on Making of an Institute of Higher Standing
