Scope of the Seminar/FDP:

In the ever-changing world, Quality in industrial products or educational services is assuming ever greater importance. In Industries and Higher Educational Institutions (HEI) it has reached a stage of paramount importance today, necessitating HEIs and Industries to work in tandem for addressing needs of all stakeholders and take the Nation forward.

The objective of the program is to formulate benchmarks, matrices and to identify major initiatives and key performance indicators to achieve NBA & NAAC core values for HEI and sharing best practices from industries. The seminar will examine the research and latest trends in the area of quality, both at the national and international levels.

Topics Covered:

Latest research and current Quality Assurance practices in core industries such as Steel, Aluminium, Paper & Paper boards, Coal, Power Distribution & Generation, Space, Health, IT & ITES, Logistics & Transportation etc., as well as in Higher Educational Institutions and their regulatory bodies – NBA, NAAC etc.

About the Institute:

Kakatiya Institute of Technology and Science, Warangal, popularly known as KITS was established in 1980. The Institute is permanently affiliated to Kakatiya University, Warangal and recognized by AICTE and UGC, New Delhi. The Institute has its own campus covering an area of 65 acres. It has been granted Autonomous status by the University Grants Commission (UGC) New Delhi and Kakatiya University (KU), Warangal for a period of 6 years w.e.f. 2014-2015. KITS is offering seven branches at undergraduate and post-graduate level and 6 Ph.D. Programs. All its UG engineering courses have been accredited by NBA.

The existing number of students in the campus including UG and PG Courses is about 4000. The institution has 12,000 alumni who are spread all over the world holding good positions.

Internal Quality Assurance Cell (IQAC) of the Institute records and monitors the quality aspects of the Institution. Its main motive is to disseminate the information to make the employees of the Institution aware of and involve in its quality improvement.

About Warangal City:

The historical city of Warangal is the 2nd biggest city in the state of Telangana and it is an important educational centre. Once the capital of the great Kakatiya Kingdom, Warangal is also known as Orugallu or Ekashilanagaram still retains its importance as a cultural center in Telangana state. There are many historical monuments in and around the city such as Fort Warangal, Thousand Pillar Temple, Badhrakali Temple, Ramappa Temple along with beautiful scenic lakes of Ramappa, Pakala and Laknavaram etc. In addition, there are wild life sanctuaries nearby and other places for the tourists. Warangal city is just 150 kms from Hyderabad, capital city of Telangana. The Institute is located 13 kms and 15 kms from Kazipet and Warangal railway stations respectively on Warangal-Karimnagar state highway.

Eligibility:

Participation in Seminar/FDP is open to the Faculty of all Technical, Non-Technical, Medical, Agricultural, Pharmaceutical, Arts Colleges, Scientists and Managers working in the Industry and R&D organizations.
