Head, Centre for i<sup>2</sup>RE

**Dr. K. Ashoka Reddy**  
Principal, KITSW

The session was started at 11.00am on 21/08/2023. The session was started with welcome address by Sr. K. Kishor Kumar, Convener-EDC, KITSW.

Dr. K. Raja Narendra Reddy Head centre for Innovation, Incubation, Research and Entrepreneurship - i<sup>2</sup>RE, has narrated about the various activities undertaken by IIC, MSME- BI, NISP and EDC-KITSW. He urged the students to make i<sup>2</sup>RE as part of their teaching and learning, think innovatively and implement ideas to come out with innovative projects. Dr. M. Srikanth, Professor I/c for Alumni Affairs congratulated EDC-KITSW & the centre for i<sup>2</sup>RE for conducting such webinar with alumni entrepreneur. He thanked the guest speaker for sparing his time to motivate his junior batches. The invited speaker, Mr. Nerella Naveenchandra is an alumnus of KITSW and a successful entrepreneur. He is the Managing Director of Indian Agencies, Warangal. Total 300 students and faculty attended the session.

Sri. Nerella Naveen Chandra was introduced to the students by Ms. D. Sahithi of 7<sup>th</sup> semester Mechanical Engineering to speak on entrepreneurship, to guide and motivate the students on the right path.

In a dedicated effort to foster innovation and entrepreneurial spirit among the next generation of leaders, KITS Warangal orchestrated a captivating event that illuminated the profound significance of entrepreneurship and the indispensable skills required for embarking on this transformative journey. The event, hosted at the Silver Jubilee Seminar Hall of KITSW, saw a convergence of eager students and distinguished faculty members.

At the core of this event was a commitment to highlighting the far-reaching impact of entrepreneurship, transcending its role as a mere business pursuit and emphasizing its capacity to shape personal growth, societal advancement, and economic progress. In an era characterized by rapid evolution, the ability to think creatively, embrace calculated risks, and lead change is swiftly emerging as a priceless trait. The event resonated with the theme of entrepreneurship as more than a path to seizing opportunities – it's a means to craft them.

The event was graced by the presence of an exceptional entrepreneur and philanthropist, Sri Nerella Naveen Chandra. With a notable professional background in the manufacturing industry encompassing Servo Stabilizers, CVT, UPS, and offline stabilizers, among others, Sri Naveen Chandra has charted a path of innovation. His journey commenced in Hyderabad in 1987, and he later took the helm of the family electronics business, epitomizing his dedication to growth and ingenuity.

Sri Nerella Naveen Chandra lent his insights to various facets of entrepreneurship, weaving a narrative that unveiled its multidimensional essence:

- **Unveiling Potential:** Entrepreneurship's essence lies in its capacity to uncover problems and offer innovative solutions, transcending the boundaries of conventional business.
- **Cultivating Creativity:** Entrepreneurs are the pioneers of creativity, challenging norms, devising novel strategies, and propelling progress.
- **The Courage to Leap:** Taking calculated risks is the cornerstone of success. Entrepreneurs must audaciously step beyond comfort zones and embrace ambiguity.

- **Embracing Change:** In the dynamic business landscape, adaptability serves as the compass steering entrepreneurs towards emerging opportunities.
- **Crafting Leadership:** Entrepreneurs are visionary leaders, inspiring teams to march towards shared dreams, extending beyond conventional business roles.
- **Resilience Rewarded:** Setbacks are stepping stones to achievement. Resilience empowers entrepreneurs to rise stronger and more determined after every setback.

The event cast a luminous spotlight on the skills crucial for cultivating successful entrepreneurs:

- **Critical Thinking:** The art of dissecting situations, identifying prospects, and making informed choices stands as a pivotal skill.
- **Art of Expression:** Effective communication serves as the bridge to collaboration, forging connections, and articulating ideas persuasively.
- **Problem Solving:** Entrepreneurs emerge as adept problem solvers, infusing innovation to overcome challenges and cater to market demands.
- **Unleashing Innovation:** The ability to conjure novel ideas and transform them into tangible solutions is an entrepreneurial superpower.
- **Adaptable Agility:** The mercurial business landscape necessitates dexterity in recalibrating strategies as circumstances shift.
- **Weaving Networks:** A robust network opens doors to mentors, partners, and patrons, catalyzing growth and collaborations.
- **Financial Acumen:** Grasping financial principles is indispensable for resource management and informed decision-making.

The event culminated with a prevailing sense of empowerment and enthusiastic aspiration among the students, who departed infused with a renewed commitment to nurturing their entrepreneurial spirits. Beyond disseminating knowledge, this event kindled the spark of ambition, inviting students to contemplate how their ingenious concepts could herald transformative change in the global landscape.

The event reached its pinnacle with the Presidential Address by Principal Prof. K Ashoka Reddy, who expounded on the broader implications of fostering an entrepreneurial culture within the academic framework. He emphasized that an entrepreneurial mindset equips students to navigate the complexities of the modern world, nurturing leaders who drive innovation and progress. The session concluded with a felicitation of the guest.

The session concluded at 12.30 pm with vote of thanks proposed by Sri. K. Kishor Kumar, Assistant Professor of MED by thanking Shri. Nerella Naveenchandra garu for accepting the invitation and delivering his lecture and our Management and respected Principal sir Dr. K. Ashoka Reddy , Members of KITSWAA, Dr. K. Raja Narendra Reddy, Prof. & Head-MED, Dr. K. Raja Narendra Reddy, Head Centre for i<sup>2</sup>RE, Dr. S. Sunil Prathap Reddy, President, IIC-KITSW, Dr. B. Jagadish Kumar, Coordinator-EDC, KITSW and all the faculty, staff and students for attending the session and making it a success.
