

II Mid of II Year B.Tech. I-Semester Examinations – September, 2013

Time: 10-30 AM to 12-30 PM

DATE / DAY	Civil Engineering	Mechanical Engineering	Electronics & Instrumentation Engineering	Electronics & Communication Engineering	Electrical & Electronics Engineering	Computer Science & Engineering	Information Technology
23.09.2013 Monday	Strength of Materials - I	Machine Drawing	Network Analysis & Synthesis	Network Analysis & Synthesis	Network Theory	---	---
24.09.2013 Tuesday	Fluid Mechanics - I	Mechanics of Solids - I	Electrical & Electronic Measurements	Electronic Measurements & Instrumentation	Fluid Mechanics & Hydraulic Machines	Discrete Mathematics	Discrete Mathematics
25.09.2013 Wednesday	Electrical & Electronics Engg.	Elements of Electronics Engineering	Switching Theory & Logic Design	Switching Theory & Logic Design	Basic Electrical Engineering	Basic Electrical Engineering	Basic Electrical Engineering
26.09.2013 Thursday	Building Materials & Construction	Material Science and Engg.	Electronic Devices & Circuits - I	Electronic Devices & Circuits - I	Electronic Devices & Circuits - I	Data Processing	Data Processing
27.09.2013 Friday	Mechanical Technology	Manufacturing Processes	Electrical Technology	Electrical Technology	Electrical Engineering Materials	Object Oriented Programming Concepts	Object Oriented Programming Concepts
28.09.2013 Saturday	Mathematics-II	Mathematics-II	Mathematics-II	Mathematics-II	Mathematics-II	Mathematics-II	Mathematics-II

KAKATIYA INSTITUTE OF TECHNOLOGY & SCIENCE :: WARANGAL – 506 015
II Mid of III Year B.Tech. I-Semester Examinations – September, 2013

Time: 10.30 AM to 12.30 PM

DATE / DAY	Civil Engineering	Mechanical Engineering	Electronics & Instrumentation Engineering	Electronics & Communication Engineering	Electrical & Electronics Engineering	Computer Science & Engineering	Information Technology
23.09.2013 Monday	Management, Economics & Acc.	Management, Economics & Acc.	Open Elective: 1. O R 2. F F T 3. E D	Management, Economics & Acc.	Management, Economics & Acc.	Open Elective: 1. O R 2. F F T 3. E D	Open Elective: 1. O R 2. F F T 3. E D
24.09.2013 Tuesday	Structural Analysis – I	Measurement and Metrology	-----	Pulse and Digital Circuits	Power Systems-I	-----	-----
25.09.2013 Wednesday	Structural Design – I	Internal Combustion Engines	Linear Integrated Circuits	Linear Integrated Circuits	Linear Integrated Circuits	Theory of Computation	Communication Theory
26.09.2013 Thursday	Geotechnical Engineering-I	Kinematics of Machinery	Process Instrumentation	Analog Communication Systems	Digital Electronics	Digital Electronics	Digital Electronics
27.09.2013 Friday	Surveying – II	Applied Thermodynamics	Computer Architecture	Computer Architecture	Electrical Machines-II	Operating Systems	Operating Systems
28.09.2013 Saturday	Hydrology	Design of Machine Elements-I	Control System Engineering	Control System Engineering	Control System Engineering	Database System Design	Database System Design

KAKATIYA INSTITUTE OF TECHNOLOGY & SCIENCE :: WARANGAL – 506 015
II Mid of IV Year B.Tech. I-Semester Examinations – September, 2013

Time: 02.00 PM to 04.00 PM

DATE / DAY	Civil Engineering	Mechanical Engineering	Electronics & Instrumentation Engineering	Electronics & Communication Engineering	Electrical & Electronics Engineering	Computer Science & Engineering	Information Technology.
23.09.2013 Monday	Structural Design -III	Finite Element Methods	Telemetry & Tele control	Microwave Engineering	Power System Operation & Control	Computer Networks	Algorithm Analysis & Design
24.09.2013 Tuesday	Irrigation Engg. & Hydraulic Structures	Refrigeration & Air-Conditioning	Computer Control of Processes	Optical & Satellite Communication systems	Utilization of electrical energy	Artificial Intelligence	Software Engineering
25.09.2013 Wednesday	Transportation Engineering – II	Metal Cutting Science	VLSI Design	VLSI Design	Power Semi-conductor Drives	VLSI System Design	VLSI System Design
26.09.2013 Thursday	Estimation & Valuation	Industrial Engineering	<u>PE – I</u> 1. Digital Image Processing 2. Optical Instrumentation.	<u>PE – I</u> 1. Digital Image Processing 2. Industrial Electronics.	<u>PE – I</u> 1. Neutral Network & Fuzzy Logic 2. High Voltage Engineering	<u>PE – I</u> Advanced data base mgt. systems	<u>PE – I</u> Advanced data base mgt. systems
27.09.2013 Friday	<u>PE-I</u> Earth Retaining Structures	Mechatronics	Analytical Instrumentation	---	Switchgear & Protection	Computer Graphics & Multimedia	Language Processers
28.09.2013 Saturday	Environmental Engineering – I	---	---	---	---	---	---
