ABOUT KITS, WARANGAL:

Kakatiya Institute of Technology & Science, popularly known as KITS, was established in the year 1980 under the aegis of Ekasila Education Society (EES) by the elite philanthropists of Warangal City, with the main aim of imparting quality technical education to the students of Telangana region. The institute is permanently affiliated to Kakatiya University, Warangal and recognized by AICTE & UGC New Delhi. The institute was conferred with autonomous status w.e.f. academic year 2014-15 for a period of 6 years by UGC, New Delhi. New curriculum as per AICTE guidelines is into force w.e.f. A.Y. 2018-19.

The institute has its own campus covering an area of 65 acres of land. It is offering undergraduate courses in seven branches of engineering and seven post graduate programs. Six academic departments are recognized as the research centers by the KU, Warangal to offer doctoral programs. The campus is now Wi-Fi enabled and OFC connected with 155 Mbps internet bandwidth.

The institute has more than 230 qualified, committed and dedicated faculty members out of which about 70 are possessing doctoral degree. The institute is also supported by more than 150 technical & supporting dedicated staff.

The present total intake in different undergraduate programs (B. Tech) is 900 per year in the following branches: Civil Engineering (120), Mechanical Engineering (180), Electronics & Instrumentation Engineering (60), Electrical & Electronics Engineering (120), Computer Science & Engineering (180), Electronics & Communication Engineering (180), Information Technology (60). All the above programs are accredited by NBA. The institute is also offering Post Graduate Programs (M. Tech) in Structural & Construction Engineering, Design Engineering, Digital Communication, Software Engineering, VLSI & Embedded System, Power Electronics with a total intake of 145 and MBA with an intake of 60.

NIRF-17 (MHRD) ranked KITS, Warangal among top Engineering Institutions in India and DQ-CMR rated as 3rd best private engineering college in Telangana state, 59th among all private engineering colleges in the country.

LOCATION:

The institute is located on New Delhi-Chennai broad gauge railway line and is well connected to other cities by rail and road.

Warangal city is just 150 kms from Hyderabad, capital city of Telangana. The institute is located 12 kms

and 14 kms from Kazipet and Warangal railway stations respectively, on Warangal-Karimnagar state highway.

ABOUT ISTE KITS CHAPTER, WARANGAL:

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making organization in our country which cooperates with central and state governments industry and approved institutions, professional bodies, AICTE, MHRD, DST and Individuals in the cause of technical education and research. The main objective of ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.

ISTE KITS Chapter was started in 1996. Most of the students are the members of the ISTE KITS Student Chapter and more than 120 faculty members have the life membership in the faculty chapter. The college is also an institutional member in ISTE.

ISTE KITS Student Chapter has the track record of successfully conducting periodically the national level technical symposium called "SUMSHODHINI" since 2003. Apart from this several workshops, guest lectures and other events were conducted under this chapter. This chapter has been declared as best ISTE student chapter of 2017 in Telangana State.

Description of events:

Answer Hunt (Business quiz)

Business quiz is the game of question and answer. This game is to judge the knowledge of the participants towards the industries, companies and product. And also to judge the awareness of participants through questions related to knowledge of business, insight of business and business related areas.

Business Blueprint (Business plan)

In this game each participant should present their business plan including all aspects like HR, MARKETING & FINANCE

Marketing warfare (marketing)

The aim of this game is to make participants present the classical marketing theory which emphasises on 4Ps marketing strategies namely (1) product (2) price (3) place and (4) promotion. Participants will be given a concept on the spot which they have to visualise and project the 4P's

12 – 16 NOVEMBER, 2018

DEPARTMENT OF MECHANICAL ENGINEERING

One Week Short Term Training Program on “*HANDS ON PROGRAMME ON ANSYS SOFTWARE (HPAS-18)*” was organized from 12-16 NOVEMBER, in the Department of Mechanical Engineering. A total of **Ten** resource persons have delivered lectures on various topics related to Hands on Program on ANSYS software. Seventy Three (73) members have registered for the program.

Dr. P. Ravinder Reddy, Principal, Chaitanya Bharathi Institute of Technology, Hyderabad, was the chief Guest of the Inaugural Function. Capt. V. Lakshmikantha Rao, Secretary and Correspondent, KITSW and Member of Parliament, Rajya Saba, has presided over the function. Sri. P. Narayana Reddy, Treasurer, KITSW, has congratulated the organizers. Dr. K. Ashoka Reddy, Principal, KITSW, has emphasized the significance of the research towards fulfillment of needs of the society. Dr. K. Eswaraiah, Professor and Head, Department of Mechanical Engineering, Kakatiya Institute of Technology and Science, has appreciated the team HPAS-18 for organizing this event. He elaborated that, the program will provide a vast exposure to the research in ANSYS applications for participants. Dr. K. Sridhar, Professor, MED, Dr. K. Raja Narendra Reddy, MED, Professor, Dr. P. Srikanth, Professor, MED are organizing Secretaries while Dr. G. Ganesh Kumar, Associate Professor, MED Sri. P. S. S. Murthy, Assistant Professor, MED, KITSW are Conveners. for the event. Sri. J. Laxman, Assistant Professor, MED, Sri. S. Chandramouli, Assistant Professor, MED, and Sri. A. Hari Kumar, Assistant Professor, MED have acted as coordinators for the programme. Dr. G. Ganesh Kumar has given a brief introduction about STTP. Sri. P. S. S. Murthy, has advocated the details of the participants from various institutes. Dr. K. Eswaraiah, Professor, acted as a Chairman of the event. Sri. A. Hari Kumar, introduced about the resource persons for STTP from various organizations.

Short Term Training Programme (STTP)
On
“HANDS ON PROGRAMME ON ANSYS SOFTWARE (HPAS-18),
12 – 16 NOVEMBER, 2018, organized by Department of Mechanical Engineering.

A one week Short Term Training Program (STTP) on ANSYS was conducted as part of IAAHP.

12-Nov-2018:
Inauguration Function

The following 'Hands-on' activities were performed:

- Keynote address by Prof. P. Ravinder Reddy garu, Principal CBIT on Finite Element Analysis

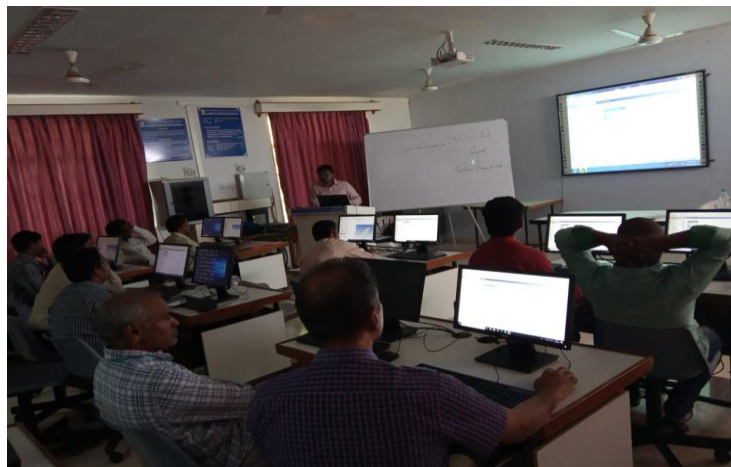

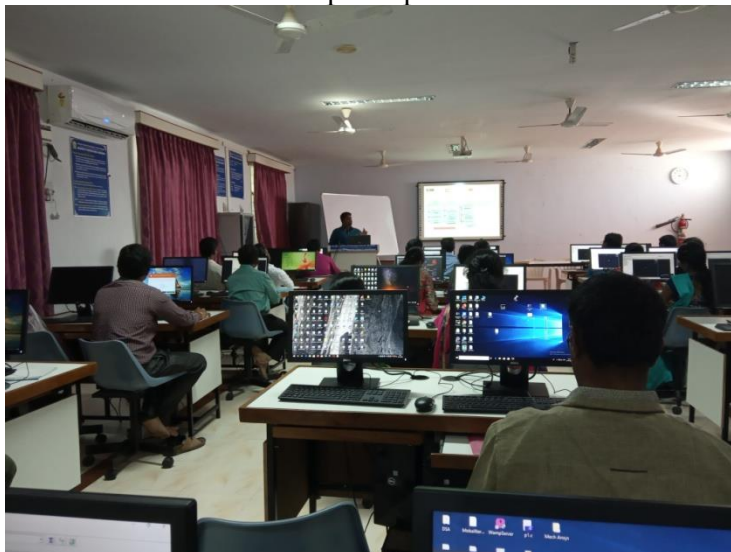

- Dr. P. Ravinder Reddy visited Department of Mechanical Engineering.

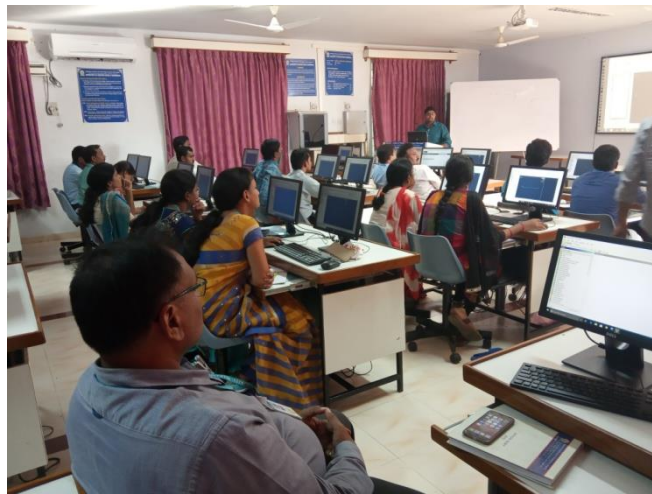

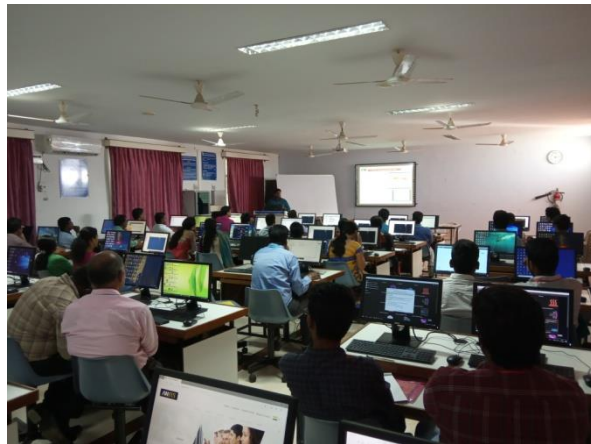

12-Nov-2018:

- Mr. Gokul Raj, Entuple Technologies, Hyderabad has dealt with the session
- He discussed about the fundamental principle tools of ANSYS software.

13-Nov-2018:

- Hands on - ANSYS Space-claim (designing software, which is going to succeed ANSYS Design modeler).
- Space-claim is the default option from ANSYS 19.2 by Sri. Gokul Raj.
He discussed about
 1. Hands on -Static structural analysis on simple beams
 2. Hands on - Von-mises stress, deformation, failure points on simple problems
 3. Hands on - Transient loading conditions and their results
 4. He solved on certain Mechanical Engineering design problems using ANSYS Software.

14-Nov-2018:

- Mr. S. Satish, Entuple Technologies, Hyderabad, has given an expert lecture for the complete day. He Discussed about the following:
 1. Introduction to ANSYS Fluent and different tools used for analysis.
 2. Hands on -Mixing elbow problem (bent pipe with 2 inlets containing hot and cold fluids and 1 outlet)
 3. Hands on - Tee Junction
 4. CFD Post - Contours, streamlines, streamline - animation
 5. He also solved different heat transfer problems using ANSYS fluent Software.

15-Nov-2018:

- Mr. S. Satish, Entuple Technologies, Hyderabad, has given an expert lecture for the complete day. He Discussed about the following:
 1. Ansys meshing
 2. Hands on -Landing gear, Heat Exchanger
 3. Hands on - Transient analysis - Von Karman vortices
 4. Further Sri. Sk. Avez Shariq has presented about an introduction to Turbulence modelling.

16-Nov-2018:

- Dr. G. Ganesh Kumar, Associate Professor, MED, KITSW, has given an expert lecture on “Application of a CFD tool for a research problem, A Case Study”

- Sri. J. Laxman, Assistant Professor, MED, KITSW, has given an expert lecture on Finite Element Analysis on Truss”.

- Sri. S. Chandramouli, Assistant Professor, MED, KITSW, has given an expert lecture on “Structural Analysis of Elastic Beams”.

- Sri. Ch. Karunakar, Assistant Professor, MED, KITSW, has given an expert lecture on “Static Structural Analysis of One Dimensional Stepped bar by using ANSYS”.

- Sri. A. Hari Kumar, Ch. Karunakar, Assistant Professor, MED, KITSW, has given an expert lecture on “Practical Finite Element Analysis”.

Valedictory Function:

- The valedictory function was started at 4.30pm. Dr. K. Eswaraiah was the chief guest.

- Dr. P. Srikanth, Convener, has addressed the gathering.
- Dr. G. Ganesh Kumar, has spoken about the programme that have been conducted for five days.
- Sri. P. S. S. Murthy addressed the gathering presenting about the benefits of the program. Further the participants were asked to give their feedback.
- Then Dr. K. Eswaraiah has felicitated the experts of the morning session.

- Subsequently the certificates were received by the participants

- Then the vote of thanks was given by Sri. A. Hari Kumar, Asst. Professor, MED, KITSW

KAKATIYA UNIVERSITY, WARANGAL

Kakatiya University crossed the milestone of forty years and is poised to achieve greater academic excellence with dedication and commitment in the years to come. University is ranked 1st Telangana, 4th India, and 117th in the world. The nirf ranking is institutional rank band 101-150 and university rank band-151-200. It occupied 38th position in national level rankings by India Today-Nielsen Survey and NAAC 'A' grade accredited. University has 24 Departments with a network of 18 constituent colleges and about 529 Affiliated colleges, the University has 395 Arts & Science; 3 Law; 8 Engineering; 53 Education; 38 Management; 8 MCA and 24 Pharmacy colleges under its jurisdiction The University is vibrant with research activities carrying out the projects sponsored by various funding agencies. As many as twelve departments of the University have been identified under DRS-SAP, eight departments under DSC-FIST, nine departments under UGC BSC Non-SAP and two departments under DST-INSPIRE programmes. University established Memorandum of Understanding (MoU) with several universities and research institutes for collaborative research.

KITS, WARANAGAL

Kakatiya Institute of Technology & Science (KITS), Warangal was established in 1980 with affiliation to Kakatiya University and now it is Autonomous Institution under Kakatiya University. It has attracted academicians of proven competence onto its faculty, placed its products in reputed organizations all over the World and gained recognition amongst academic circles. The Institute aims to prepare the students for meeting the challenges of the growing and changing needs of industry through delivering high quality technical education blended with training and research. The college is approved by AICTE, all UG Programmes are accredited by NBA, New Delhi and Accredited by NAAC 'A' Grade (CGPA: 3.21).

About the Programme

In today's scenario, decision making has become multifaceted and complicated. It thus has become imperative to identify a research problem with an objective to create knowledge for the benefit of an Engineer and the society.

Researchers at times, find themselves technically constrained while promoting research due to insufficient understanding of the concepts, statistical tools and techniques. Thus, there is a need to develop an understanding in designing and carrying out research that can better equip faculty to effectively guide their own research and student's research work.

The topics selected for this Workshop will discover participating faculty to the latest trends and concepts in research methodology.

Objective of the Program

To equip the participants with contemporary research, statistical analysis, and data analysis tools

Learning Outcomes

- Enhance the analytical and research Skills
- Gain the knowledge on data analysis
- Ability to use statistical tools, and optimization techniques
- Improve the quality of research

Who Should Attend

The participants to the program could be academicians, professionals and researchers in areas of Engineering, Science, Management and others who aim to learn various statistical tools which are widely used in research, get awareness regarding thesis writing, research paper writing, data analysis, Plagiarism tools, Intellectual Property Rights: Copy Right, trademarks, patents, and research methods.

How to Apply

Each participant should send the filled in registration form duly signed, with a D. D. **Rs. 1500/-** drawn in favour of “**Organizing Secretary, RM-19**”, payable SBI, Yerragattugutta, branch, KITS, Warangal” to the mailing address on or before 2nd Jan. **2019**. The registration fee includes registration kit, working lunch, tea, and course material.

2nd National Conference on Sustainable Practices and Advances in Civil Engineering SPACE 2019 - 26th April 2019

Call For papers: Department of Civil Engineering is organizing a One Day National Conference on Sustainable Practices and Advances in Civil Engineering, "SPACE-2019", on 26th April 2019. For the benefit of teachers from engineering colleges, Academicians, Researchers, Industry Professionals, Practicing engineers and Students are invited to contribute their Original Research papers related to the following themes

Themes :

- ❖ Challenges & issues in Civil Engineering
- ❖ Advances in Structural Engineering
- ❖ Alternate and Advanced Building Materials
- ❖ Earth Science & Engineering
- ❖ Transportation & Highway Engineering
- ❖ Geotechnical / Geo - Environmental Engineering
- ❖ Construction / Concrete Technology
- ❖ Project Management
- ❖ Water Resources & Irrigation Engineering
- ❖ Environmental Engineering
- ❖ Other topics related to Civil Engineering

Registration Fees:

- International Participants: \$100
- R&D/Corporate/Industry: Rs. 3000
- Faculty/Research Scholars / Student: Rs. 2000
- Conference Participation without paper Rs.1000

Publications : All the presented papers will be published in the edited volume of SPACE2019 with ISBN Number, selected papers will be published in UGC Listed Journals.

Prizes : The session Chair will select two best papers and the award will comprise of Cash Prize and a certificate of Merit

ABOUT THE INSTITUTE

Kakatiya Institute of Technology & Science, Warangal popularly known as **KITSW**, was established in 1980. KITSW is the flag ship institute sponsored by **Ekasila Education Society (EES)**, Warangal a Philanthropic society, whose primary objective is to establish and manage a variety of educational institutions with highest quality and thus to provide quality human resources in the service of society. The institute is autonomous under Kakatiya University, Warangal and recognized by AICTE & UGC New Delhi.

The institute has its own campus covering an area of 67 acres of land. It is offering under graduate programs in seven branches of engineering and post graduate programs in seven socializations. All B.Tech programs of the institute are accredited by **NBA and NAAC with A grade with CGPA 3.21/4.0**, the institute has conducted several seminars, symposia, workshops, conferences in the past.

The institute is located 13 kms and 20 kms from Kazipet and Warangal railway stations respectively, on Warangal - Karimnagar highway.

FEW OF THE MILESTONES OF THE INSTITUTE:

- ◆ AICTE-CII Survey of India Linked Technical Institutions ranked KITSW as "GOLD CATEGORY" Institution for consecutive 4 years, 2015,2016,2017,2018.
- ◆ NIRF(MHRD, Govt. of India) ranked KITS Warangal among 151-200 band among Engineering institutes in India for the year 2017.
- ◆ Ranked Second best college in Telangana among all private engineering colleges in India.
- ◆ KITS Warangal is AAA⁺ rated institute among the best Engineering colleges in India by Careers 360.com from the year 2014, 2015, 2016, 2017 and 2018.

ABOUT CIVIL ENGINEERING DEPARTMENT

The **Department of Civil Engineering** was established in 1980 with an intake of 45 students and subsequently it increased to 60, then to 120. The Civil Engineering Department is involved in providing quality education both at UG and PG (Structural & Construction Engineering) levels.

The department is bestowed with well equipped laboratories, highly qualified, motivated and dedicated faculty with rich experience, skilled and committed supporting staff. The department has the distinction of being awarded accreditation by the National Board of Accreditation (NBA) New Delhi four times in 2001, 2006, 2011 and 2016.

The department is also recognized as research Centre under the Kakatiya University, Warangal. The department offers consultancy services in Structural Designs, laboratory testing on construction materials and on site investigation to the government & non government organizations.

The department is having experience in organizing National Level Seminars, Symposiums and Workshops for faculty. The list of laboratories available in the department are:

- ◆ Concrete Technology Laboratory
- ◆ Material testing Laboratory
- ◆ Geotechnical Engineering Laboratory
- ◆ Transportation Engineering Laboratory
- ◆ Fluid Mechanics & Hydraulic Machinery Laboratory
- ◆ Surveying Laboratory
- ◆ Computer Aided Design Laboratory
- ◆ Environmental Engineering Laboratory
- ◆ Engineering Geology Laboratory

ABOUT WARANGAL CITY

The historical city of Warangal recognized as one of the best heritage cities of India and it is an important educational cluster. The city is located on New Delhi - Chennai broad gauge railway line and is well connected to other cities by rail and road. It is just 150 kms from Hyderabad, the capital city of Telangana. Once the capital of great Kakatiya Kingdom, Warangal, earlier known as Orugallu or EkashilaNagaram still retains its importance as a cultural center. There are many historical places in and around the city such as Fort Warangal, Thousand Pillar Temple, Badhrakali Temple, Ramappa temple along with beautiful scenic lakes of Ramappa, Pakala and Laknavaram. In addition to this there are wild life sanctuaries nearby and other places for the tourists.

ABOUT THE CONFERENCE

This conference provides an international forum for researchers, developers and academicians who are involved in real time projects and research that provide solutions to exchange their valuable ideas and showcase the ongoing works which may lead to path breaking foundation of the futuristic engineering. The aim of this conference is to bring together the academicians, scientists, engineers and manufacturers from various institutions, universities, colleges and industry to discuss the relevance of various futuristic technologies emerging in this area throughout the world. Papers are invited from all fields of Civil Engineering.

CONFERENCE SUB THEMES:

- ◆ Challenges & issues in Civil Engineering
- ◆ Earth Science & Engineering
- ◆ Advances in Structural Engineering
- ◆ Transportation & Highway Engineering
- ◆ Geotechnical/Geo-Environmental Engineering
- ◆ Construction/Concrete Technology
- ◆ Water Resources & Irrigation Engineering
- ◆ Environmental Engineering
- ◆ Other topics related to Civil Engineering

Registration Fees:

- ◆ International Participants: \$100
- ◆ R&D/Corporate/Industry: Rs. 3000
- ◆ Faculty/Research Scholars / Student: Rs. 2000
- ◆ Conference Participation without paper Rs.1000

Registration fee may be sent to Convener in the form of DD/Cheque/NEFT along with registration form duly signed by Head of the Institute (Details will be intimated at a later stage).

Conference Publications

Selected and eligible papers will be published in Scopus/ UGS listed Indexed Journals.

1	Investigation on Mechanical Properties of Fly ash-GGBS and Fly ash-Cement based Geopolymer Concrete Ramamohana Reddy Bellum, N. Ruben,Sri Rama Chand. M, Manasa andKKoppoju	1
2	Experimental Study On Fibre Reinforced Bacterial Concrete Priyanka Koonna,SuprajaTelukuntla, Sharath Paisa and Dr. ShankerKandukuri	
3	Study on Fracture Parameters of Notched High Strength Concrete Beams Using ANSYS ManasaKoppoju and Bharathi Nukaraju	2
4	Experimental investigation on Usage of fly ash and Foundry Sand in Concrete for Sustainable Development ManasaKoppoju and Ram Mohan Reddy Bellum	
5	Study On Stress-Strain Behaviour Of Steel Fiber Reinforced Concrete Under Uni-Axial Tension Srikanth Koniki, Dr D Ravi Prasad, P Teja Abhilash and Bhaskar Avadhanula	3
6	A Review on Soil Structure Interaction Vinod Kumar Malla, Manoj Kumar Rath and P. Markandeya Raju	
7	Comparison of Bond Strength Characteristics of Polluted and Non Polluted Rebar by Using Hypo Sludge Bhaskar Avadhanula, P Teja Abhilash and Srikanth Koniki	4
8	Manufacturing of Paper Create Bricks by Using Banana Fiber S. Paparao and G. Siva Prasad	
9	Performance of Hybrid Fibre Reinforced concrete. Srujan Varma Kaithoju, Dashrath Singh, Nagarapu Hari Krishna and Naini Jignesh Patel	5
10	<i>A Review on Shear Friction Model</i> Ramyasree G, Dr L Sudheer Reddy and Sumanth Kumar B	
11	Stress Strain Behaviour of Hybrid Fibre Reinforced Concrete with Partial Replacement of Cement by Flyash Sai chandraRudroju and Dr. S.SunilPrathap Reddy	6
12	Behaviour of Multi Layered Hybrid Fibrous Ferro cement Panels in Flexure Srujan Varma Kaithoju, Anvesh Reddy Padi, Hari Prasad Byri, G. Neelaveni and V. Sai Vardhan	
13	Study the Socio Economic Impact of a Highway Failure Bhavana. P	7
14	Study on Strength of Concrete by Partial Replacement of Cement by Ground Granulated Blast Furnace Slag (GGBS) and Cow Dung Ash (CDA)	

	Satyashiva Prasad Nannuta	
15	Assesment of strength by replacing aggregates with ceramic materials in flexible pavements BojjamSravanthi, K.SriMedha,Gudavalli Murali Krishna, Ade swathi and Md Uzair Ahmad	8
16	Corridor Improvement Plan by introducing Public Transit system BojjamSravanthi, Rama Bhandare,NeduriPrabhanjan and GottamSahithi	9
17	Decision support system for Accident Investigation by using GIS Rama Bhandare, BojjamSravanthi and NeduriPrabhanjan	
18	Analysis of underpass for the pedestrian crossing Rama Bhandare, BojjamSravanthiand Jeldianandkumar	10
19	<i>Soil Stabilization Using Terrazyme</i> P.Teja Abhilash, SrikanthKoniki and A.Bhaskar	
20	<i>Assessment of Watershed Characteristics</i> G.Surya Kiran, K Akshitha, P Sai Priya and R Navya	11
21	A Study on mechanical properties of Hybrid Fibre reinforced concrete with the partial replacement of normal coarse aggregate with recycled coarse aggregate and cement with fly ash Dr .S. Sunil Pratap Reddy, Y.Prasannakumar, P.Ganesh and R.Prashanth	12
22	Land use Land cover change detection through QGIS and Remote Sensing techniques: A case study on Warangal Urban district, Telangana, India Sree Laxmi Pavani Chakilamand NagarajuBudama	12
23	Stabilization of Black Cotton Soil with addition of Stone Dust in layered pattern AmulyaGudla	13
24	Experimental and Analytical Studies on Soft Clay Beds Reinforced with Woven polypropylene material Dr. S. G. Narayana Reddyand Md. Shakeel Abid	
25	Experimental investigation on fresh and hardened properties of self-compacting concrete with recycled coarse aggregate Ganta Vishnu Priyaand N. Srikanth	14
26	Experimental study on strength characteristics of concrete obtained by partial replacement of cement with fly ash, silica fume & ggbs Kancharla Pradeep and Smt. K.Santhosh Bhargavi	15
27	An experimental investigation of mechanical properties of the waste-plastic-banner-fiber reinforced concrete Mr T Naresh, Dr. S Sunil Pratap Reddy and Dr. D Ravi Prasad	
28	Flexural Behaviour of Magnetic Water Concrete with varying field Strengths and	16

	duration of Magnetisation Dr M Veera Reedy, Srujan Varma Kaithoju and C H Nikitha ³	
29	Influence of replacement of fine aggregate with copper slag in concrete Priyanka Koona	
30	Enhancement of concrete properties by additional of natural fibers jute and coir N Bharathi and Manaasa	17
31	Strength analysis of concrete by partial replacement of fine aggregates with red soil N Bharathi	
32	Removal of pollutants from sewage water by using permeable soil G Kalyani and A Ajay Kumar	18
33	Estimation of crop evapotranspiration using remote sensing and GIS laknavaram catchment CH Sridhar and K Srikanth	
34	Experimental investigation on the behaviour of hybrid fibre reinforced concrete with partial replacement of cement by ground granulated blast furnace slag Phani Kiran Toomu and Dr. S. Sunil Prathap Reddy	19
35	Experimental investigation on the effect of varying magnetic field strengths on the properties of different grades of fresh & hardened magnetic water concrete Rana Nousheen and K. Srujan Varma	
36	Flexure and cracking behavior of RC beams by partial replacement of cement with GGBS Naineni Bhargavi and Smt.K. Santhosh Bhargavi	20
37	Behaviour of polypropylene fiber reinforced concrete with magnetic structured water YamsaniPrathyusha and K. Srujan Varma	
38	Experimental Investigation On Bond Strength Of Graphene Concrete With Oil Polluted And Non Polluted Steel Bars T. Pravalika and and A Bhaskar	21
39	Performance Studies On Waste Glass Powder In Self Compacting Concrete S.Bhavani, Dr. P. Swamy Naga RatnaGiri and Dr. M. Sri Rama Chand	22
40	Effect Of Magnetic Structured Water On The Properties Of Polypropylene Fiber Reinforced Concrete Srujan Varma K, V.Hari Chandana, B.Aneela, J.Nivedith and R.Jalandhar	
41	Replacement Of Natural Fine Aggregate With Demolished Tiles Powder In Self Compacting Mortars: A Study Dr. P. Swamy Naga RatnaGiri, Dr. M. Sri Rama Chand, S.Bhavani, R Divya and T Arun patel	23
42	Ground Water Quality Index for Assessment of Groundwater pollution in	24

	Warangal, Telangana, India Manvitha S, Lalith Kumar S, Pavan V, Vamshi Krishna Dand Shashikanth T	
43	Strength Analysis Of Concrete By Partial Replacement Of Fine Aggregates With Red Soil N Bharathi, P Nihith and U.Ranjith	24
44	Effect of different types of water (structured and non-structured) on strength of different grades of concrete Srujan Varma, Kalyan Sai, Krishna Chaitanya and Vijay Raj	25
45	Studies on Infiltration Rate of Pervious Concrete Srikanth N, Dakshina Murthy and Seshagiri Rao	26
46	Sustainable Concrete Using GGBS and Fly ash Rama Raju and Veera Reddy	
47	Geopolymer Concrete- A Sustainable Material Laxman Raju, Sudheer Reddy and Sumanth Kumar	27
48	Experimental Study on Replacement of Sand by Ceramic Waste in Recycled Aggregate Concrete Veera Reddy	
49	Experimental Investigation of Effect of Thickness Of Steel Sheets On Steel Encased Concrete Beams Kaushik and Sanjay Gokul	28
50	Influence of Replacement of Fine Aggregate with Copper Slag In Concrete Bhavan and Radhika	
51	Experimental Study on Behaviour of Rigid Pavement Using Sodium Bentonite by Roller Compaction Method Krishnakanth, Teja Abhilash and Satyanarayana	29
52	Experimental investigation on the effect of varying magnetic field strengths on the properties of different gradesof fresh & hardened magnetic water concrete Nousheen and Srujan Varma

Sustainable practices need of the hour, says NIT-W Prof

STATE BUREAU

Warangal Urban

Professor P Ratish Kumar, NIT Warangal, said sustainable practices should be incorporated into structural engineering and environmental engineering.

The Department of Civil Engineering (CE), Kakatiya Institute of Technology and Science, Warangal (KITS-W) organised a national conference on 'Sustainable Practices and Advances in Civil Engineering (SPACE-2019)' for faculty, researchers and students.

Addressing the students, Prof Kumar, who was the chief guest, said, "The budding researchers should adopt principles used in historic structures such as Ramappa temple, Thousand Pillar temple, and Warangal Fort, along with latest techniques.

The programme was presided by Principal K Ashoka Reddy and he said

Researchers told to adopt principles used in historic structures such as Ramappa temple and Warangal Fort

Department of Civil Engineering was already involved in sustainable practices and suggests appropriate methods for GWMC with the help of latest technologies such as total station, remote sensing, pipe testing, soil testing and water analysis under Industrial Consultancy Cell

(ICC). Civil Engineers recognise the reality of limited natural resources, the desire for sustainable practices and the need for social equity in the consumption of resources in order to ensure a sustainable future, he said.

According to Head of the Civil Engineering Department, Dr L Sudheer Reddy, 62 technical research papers were presented by delegates from various institutes. He said the conference offered a platform for researchers and academicians involved in real-time projects, where they exchanged valuable ideas and showcased ongoing works.
