## Indian Society for Technical Education (ISTE)

### Membership

1. There are four types of membership in ISTE :

#### Member (Yearly)

(a) Any person holding a University degree or diploma or equivalent qualification & who is employed on the teaching faculty of a recognised technical institution is eligible for membership.

(b) Any person who is actively interested in or concerned with technological education academically, administratively or industrially at a level of responsibility equivalent to that of a lecturer or above is eligible for membership.

#### Life Member

Eligibility as same as for Member.

#### Institutional Member (life)

(a) Universities, University Departments, Colleges etc. offering instruction in Engineering/Technology at a level of Bachelors degree or higher.

(b) Polytechnics & Institutes offering Diploma Courses in Engineering & Technology.

(c) Research Institutes in Engineering & Technology.

(d) Departments of Central & State Governments, Statutory bodies & Autonomous bodies that have an interest in Engineering & Technical Education.

## **2. Student Member (Yearly)**

Student membership of ISTE is open to all students enrolled in Engineering Colleges. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organisations.
