Indian Society for Technical Education (ISTE)

VISION

To be a leading catalyst for transforming technical education in India, fostering innovation, and empowering individuals to meet global challenges

MISSION

- Enhancing the quality of technical education in India through the promotion of knowledge, skills, and ethical values among students and faculty.
- Advancing excellence in technical education to meet global standards and challenges.
- Fostering innovation and empowering individuals in the field of technical education.

Goals

The short-term, long-term goals of the ISTE

I. Short term Goals

- Conducting workshops and training programs to upgrade the skills of faculty members
- Organizing seminars and conferences to disseminate the latest advancements in technical education

II. Long term Goals

- Establishing a network of globally recognized technical institutions in India, known for their excellence in education and research.
- Influencing policy decisions at the national level to promote innovation and entrepreneurship in technical education, contributing to the country's economic growth and development.
