Subject: Conduct of Remedial Classes for Students with Backlogs

As part of our efforts to support students in clearing their backlogs, remedial classes have been scheduled as per the timetable below. These sessions are intended to provide additional guidance and strengthen understanding of key topics. Both faculty members and students with backlogs are requested to note the following:

For Faculty Members:

- Conduct classes as per the schedule provided.
- Cover important topics that will help students in exam preparation.
- Update CourseWeb for the corresponding course with:
 - Question papers and solutions of at least two previous ESEs
 - Twelve tutorial sheets covering important topics.

For Students:

- Attend the sessions to take advantage of the support being provided.
- Utilize the materials and explanations shared by the faculty.
- Focus on the topics you find most useful for your preparation.
- Treat these sessions as an opportunity to build confidence before exams.

The remedial classes are being arranged with the aim of assisting students in their preparation, and the active involvement of faculty in delivering them will ensure their effectiveness.
