## CIRCULAR

In view of preparing the criteria files for UGC Autonomous extension committee and upcoming NBA accreditation for Under Graduate course (Civil Engineering) & Post Graduate course (Structural and Construction Engineering), already committees are drafted as per criteria wise and circulated among committee members of our department. Hence the senior faculty member of each committee who are in-charges among each criteria members can collect the previous criteria files from Prof. L. Sudheer Reddy, Dean, P&E., and update the data till date. While updating the data it is responsibility of faculty members to preserve the previous data, and you are custodian of previous and current data consisting in that criteria file. The committee members need to present collected data in the Departmental Academic Advisory Committee (DAAC), whenever the schedule is released for presentation.

### Mini Project Circular

For Mini Projects, Students will form their groups as per their CGPA (4 in each group). After the formation of groups, students will approach the guide as per their research interest. Faculty list along with their specialization will be given to students. Faculty have to take maximum of 2 batches, one from C1 and the other from C2. Faculty need to take an acceptance letter from students, once the batch is confirmed.
