**COMPUTER SCIENCE AND ENGINEERING DEPT**

*(CSE ASSOCIATION)*

**REPORT**

To drag the interest of students the association hour on 04.01.2019 was held as a cultural program initiated by 3<sup>rd</sup> year students. The program took place at the seminar hall of block 2 from 12:10pm to 1:00 pm. It was a great honour as the program was conducted in the presence of C.Srinivas sir, the incharge of association , N.C.SANTHOSH KUMAR sir, co-convener of association and one of our faculty member HANMANTHU sir cse-dept.

Initiating the program our beloved faculty members were called upon to the dais. And the incharge of association C. Srinivas sir addressed the gathering with his valuable words.

Moving on co-convener of association N.C.Santhoshkumar sir spoke a few words regarding the importance and advantages of association hour.

A few senior students from final year also shared their experiences about their journey in cse-dept.

The program was enhanced by a special performance by our beloved faculty member *Santhosh* sir with a song composed by himself. It was a fabulous start to the program.

Many students from 3<sup>rd</sup> year actively took part and made the event successful. We had a soothing song performance by V.Manaswini from 3cse-2. The performance was very energetic and everyone enjoyed it.

And then we had a dance performance by P.Nithisha of 3cse-1. That was a great pleasure to have such performance.

Followed by we had another song performance by R.Himabindu from 3cse-3. That was a great performance.

Then Abhishek from 3cse-1 gave a dance performance which was rocking and audience expressed their gratitude with huge round of applause.

And then one of our senior student K.Poojitha from 4cse-1 sang a melodious song for us soothing our ears.

The program was concluded by a splendid dance performance by Saikiran from 3cse-1.

The anchors V.Sravani of 3cse-3 and A.Hanuma of 3cse-1 hosted the dais well.

C.SRINIVAS

### About the event:

The pre-talk on “HACKATHON” had been included as a part of CSE Association which was held on the afternoon of 20 March, 2019 at 3.30 p.m in which the students of 2<sup>nd</sup> year CSE have showed their active participation.

The pre-talk had been conducted by Mr.C.Yuktesh, who is technical specialist and community manager developer ecosystem, and Mr. Jaiprakash of Smart Bridge Educational Services PVT.LTD. respectively, the key speaker being Mr.Yuktesh. He delivered the guest lecture with utmost ease, stressed on most of the important points on Hackathon and how it is applied in real time by giving real world examples. He also stressed on the importance of internships in interview point of view.

The faculty coordinators addressed the students about the importance of attending the association and briefed them regarding the next association. They also played an active role in encouraging the students to participate in the interactive session.

The session was finally concluded by our faculty co-ordinators

### Conclusion:

The pre-talk, based association in an overview was not only interactive but also was successful in reaching its main goal educating the students on the importance of "HACKATHON" and provide an overall view about the topic to the students.
