Career Guidance Program

Career opportunities lie plenty when it comes to Engineers, but choosing the right path and establishing oneself as a pioneer in the field might take time and expertise. Career Guidance for engineering students is a must so that graduates can discover their strengths and weaknesses to choose a profession that is lucrative and fulfilling.

Students must try to inculcate the habit of working in teams, working on their career choices, try to learn the latest technologies that are required for the placements and improve their communication skills. More than anything else, they need to know how to behave professionally with others.

Before venturing out into the highly competitive world, some precautionary, as well as career-boosting measures, need to be taken by graduates. Here are a few of them:

1. Focus on personality development
2. Be clear on career goal!
3. Higher studies
4. Management studies
5. Preparing for campus placements

Date: 20/03/2021

Time: 5:30pm to 6:30pm

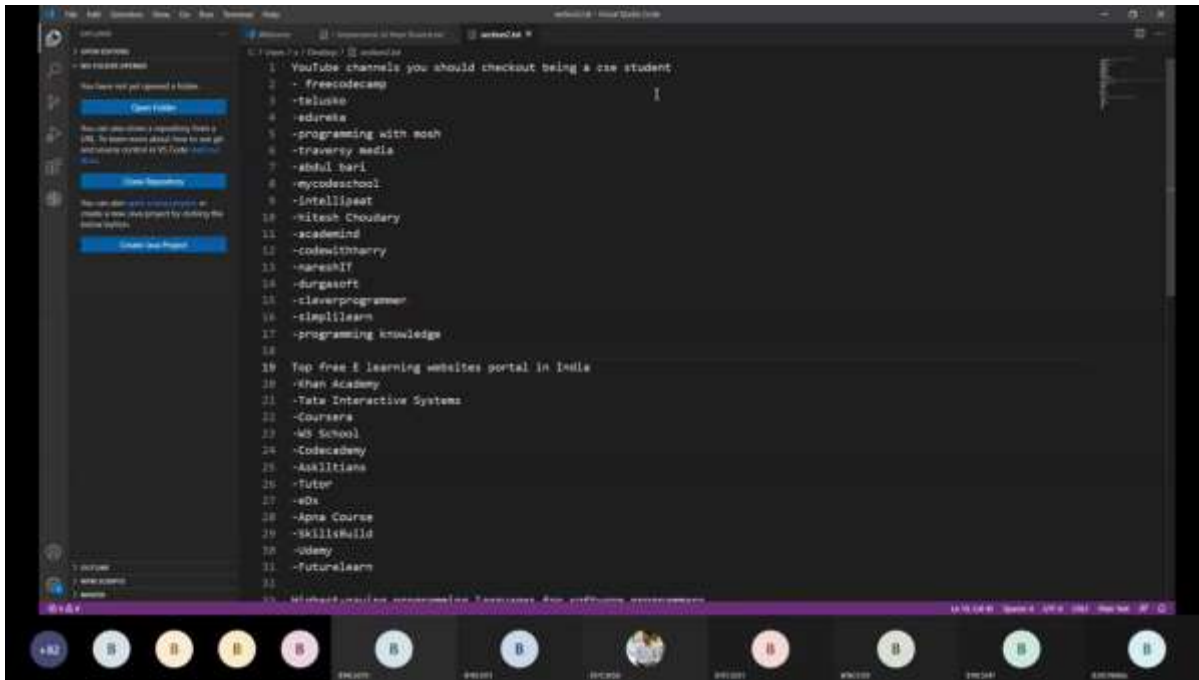

Venue: Microsoft Teams.

In this session organizers Hemanth Anumala and Sreeruthi have discussed or suggested juniors how to plan their career. They have also discussed few points like

- How to build up their skills in their core subjects?
- Trending technologies in specific branch.
- Industrial knowledge
- Fields they can choose in core
- How to crack a placement?
- Importance of projects?
- Out of curriculum activities.
- Full stack development
- Mobile app development.
- Websites to learn different courses.

- How to prepare for Higher studies?
- How to get Intern Opportunities?

And at the end of session, they have cleared all the queries raised by Students.

And by the end of session organizer have cleared all the queries of students.

P3 Prep Practice for Placement

Confused about how to kick start your placement journey? Worried about how to prepare your resume? Are Struggling with improper aptitude skills and don't know where to improve yourself? Are you Thinking about which programming language to choose? Want to know which subjects you have to deep dive for a placement? Here we are with P3 Prep Practice for Placement a platform to clear all your doubts regarding placements preparation and practices to follow to get an early job in these situations.

We will walk you through with

-resume writing

-aptitude preparation guide

-Tips to clear TR+MR+HR rounds

- fellow seniors placed in different MNC's sharing their experiences

and much more. What are you waiting for??

Date:02-05-2021

Venue: Microsoft teams.

The poster is for a program titled 'P3 Prep & Practice for Placement' presented by the Computer Science Engineers Association. It is exclusively for CSE students and is scheduled for May 2nd, 2021, at 6 pm on Microsoft Teams. The poster includes contact details for two coordinators: Dr. Subramanian (9676044500) and Dr. Sridatta (8801357427). It also lists Dr. Anand (7680023421) and Dr. Sree Anandashy (7995824404). The poster features the logos of Kakatiya Institute of Technology & Science and the CSE Engineers Association, along with an illustration of two people in a meeting.

This P³ Prep & Practice for Placement is one of the most important session for all the students. Since childhood everyone will aim of getting placed in a good company, and this event gives a road map for getting placed in a good company. In this many of final year students like Amogh Sunkaraneni, Eekshitha, Vijay, Sridatta, Sreekruthi and Hemanth have shared their experience in preparing for a placement and cracking a placement.

They have discussed how to prepare and sources to prepare for an interview and for technical rounds. They have also discussed about the importance of communication skills.

They have explained how to build a resume, Group discussions, Jam round, Aptitude and verbal skills, Coding skills and also about trending technologies. They have given some online platforms to start practicing for juniors.

TECHFANTOMS

Hello, hope everyone is safe! We would love to inform you that Computer Science Engineering Association and CSI are conducting an Event called "Tech Fantoms".

This quiz event is mainly conducted for **first years** and would only require basic knowledge of C language. The first round of quiz contains total of 40 questions and after completion of round-1 top 15 performers are short listed. For those 15 performers, there will be a second round of quiz with total of 10 questions and based on the results top two scorers are selected and declared as winners. Winners will be given special rewards.

Event date: 01 May, 2021

Both CSEA and CSI have come together to conduct this event. The organizers for this event are A. Hemanth, V.Sri Kruthi, S. Amogh and T. Raj Laxman. This is a quiz competition exclusively for 1st years which contained 40 questions from C language. This quiz is conducted on Quizizz platform. Each question is given some amount of time. And the top 4 performers are selected for round 2. In this they are given with a topic and made them to speak for a minute on that (JAM). From these the top 2 winners are selected based on their performance in JAM. The winners are given with online courses as rewards.

1st prize - Data structures and algorithms by Abdul bari Udemy course

2nd prize - Full stack web development MERN stack boot camp course from learncodeonline.in

Ever wondered how you are actually reading this message where someone is somewhere writing this text to make you read?

Ever thought of creating your own messaging app?

World is moving out there only with apps just under your fingertips. want to create your own?

Don't know where and how to start? Here is the platform for you to take part and get to know answers for all your questions. Computer science engineer's association is coming up with the exclusive platform this.APP a complete guidance session for creating Full stack web apps and mobile applications (flutter focused).

Date: 22nd May 2021.

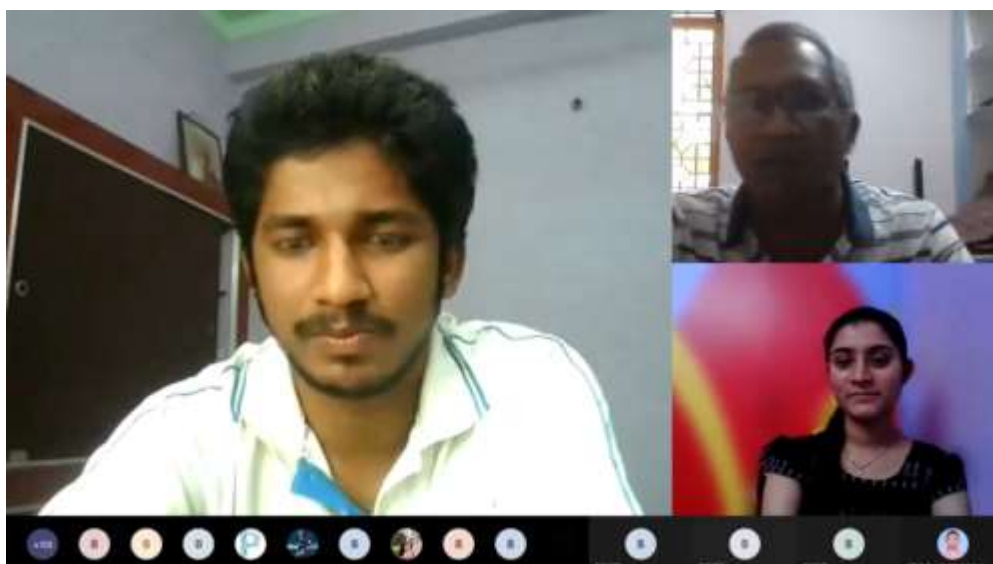

Time: 4pm to 6pm.

Venue: Microsoft Teams.

The poster is for an event titled "this.APP" presented by the Computer Science Engineers Association. It features the logos for Kotlin (K) and JavaScript (JS). The text includes the following details:

- Organizer:** COMPUTER SCIENCE ENGINEERS ASSOCIATION
- Event Title:** this.APP
- Logos:** Kotlin (K) and JavaScript (JS)
- Program:** Mobile & Web app development guidance program
- Availability:** Open to all branches
- Date & Time:** On 22nd May 2021, Time: 4.00 - 6.00 pm
- Venue:** Microsoft Teams
- Registration:** Register through Googleforms
- Contact Details:**
 - A. Hemanth**, President, CSER, (8801357427)
 - V. Sri Kruthi**, General Secretary, CSER, (9676044500)

“Every Students will be having some knowledge sharing of our knowledge to others is great thing” says Head of the department Dr.V. Shankar sir. As this was the last event conducted by final years Santosh sir and Shankar sir have congratulated and gave their best wishes to final year students.

The main agenda of this event is to know about and how to start mobile app development and web app development. The event has started with the title this.App and to know the importance of this keyword.

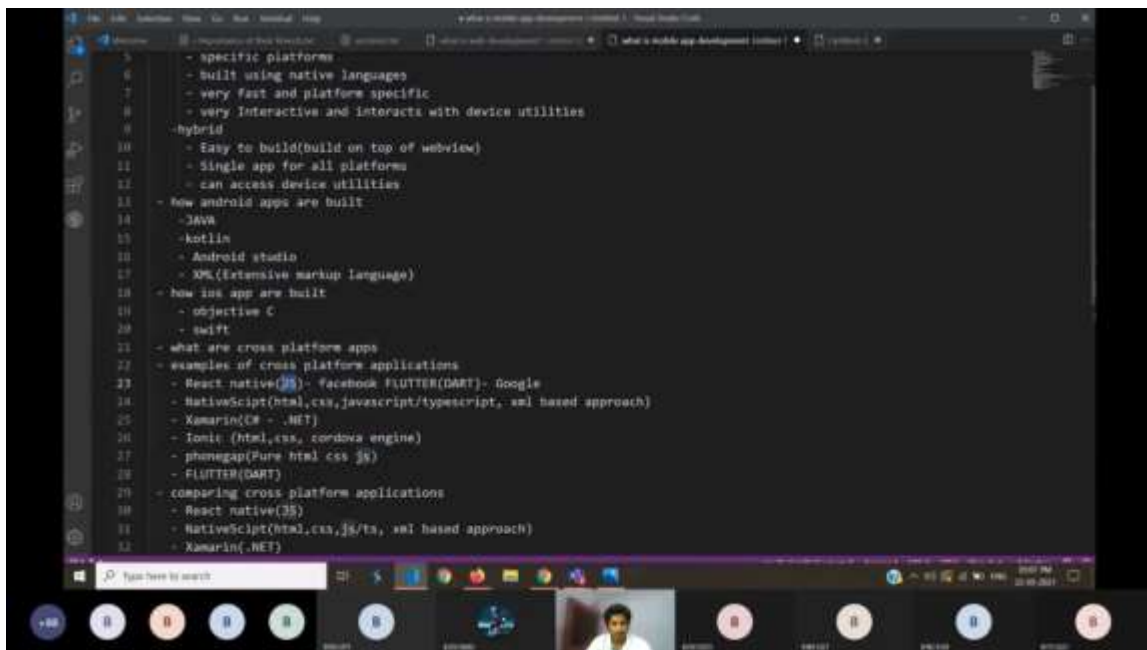

Then event has continued with mobile app development and discussed various topics like

- Types of mobile app development
- How android apps and ios apps are built?
- What are cross platforms and comparing the cross platforms?
- Examples of cross platforms?
- How to start flutter?
- Sources to learn App development

And now after completing the queries on app development, Session has continued with web development. In the web development discussed various topics like

- What is web development?
- Front end vs back end
- What is full stack development?
- Types of stacks.
- Sources to learn web development.

Session has completed after clearing the queries of students.
