KITSW

KAKATIYA INSTITUTE OF TECHNOLOGY AND SCIENCES

(An Autonomous Institute under Kakatiya University, Warangal)
Opp: Yerragattugutta, Hasanparthy, Warangal-506 015, Telangana, India.

Global visas, an education consulting company, we began operations in 2004 with a vision to introduce and promote quality education among prospective Indian students who desire to study abroad to add a competitive edge to their career in the global world. The rapid economic growth in India has opened innumerous employment opportunities at different levels in various industries. The record growth in different fields like IT, Retail, Telecom, Infrastructure development, Hotel industry etc, due to which multinational companies are setting up their ventures in India in all sectors. In order to manage these enterprise operations, a large number of skilled and specialized educated people are required.

Now-a-days, people have realized the potential value of Quality of International education. However, in absence of better appropriate guidance, students end up with refusal of visa or failure to secure admission in their desiring course in the university/college or institution.

Our mission is to equip the students with the best information about courses and institutions, which would suit their career objectives. They further assists students in visa processing so that they can easily get through the complicated visa procedures to get visa and pursue their studies at preferred destinations.

The objectives of this workshop are:

1. **To eliminate stage fear and inculcate confidence among the students.**
2. **To promote team spirit among the students.**
3. **To improve the presentation and communication skills among the students.**
4. **To introduce the idea of group discussions to the students and encourage them to promote their ideas.**
5. **To make the students realize the importance of product management.**
