BoS RESOLUTIONS:

1. The chairperson of the BoS Dr. Soora Narasimha Reddy, Associate Professor & Head of Department, CSN welcomed the internal and External BoS members and further proceedings were taken up by Dr.Jothi Prabha Appadurai

2. Dr. Jothi Prabha Appadurai presented the URR-18 Scheme and Syllabus of 7th and 8th semesters respectively

3. Firstly, VII Semester course syllabus was presented to BoS

4. Reinforcement learning course syllabus of VII Semester was presented to BoS unit wise and made open for suggestions

   Below are the comments/suggestions given by external BoS members

   (i) It was suggested that students should have prior knowledge on dynamic programming. The Internal BoS Members informed him that Dynamic

programming is already covered in the subject"Design and Analysis of Algorithms"

(ii) Syllabus is good to go.

5. Secondly, Social information and Network analysis course syllabus of VII Semester was presented to BoS unit wise and made open for suggestions

(i) Syllabus is fine and good to go

6. Cloud computing laboratory course syllabus was presented to BoS experiment wise and made open for suggestions

Below are the comments/suggestions given by external BoS members

(i) Suggested usage of public open source cloud platform and has also offered to help virtually if required. The internal BoS members said that they will definitely take help from him to bridge the gap between industry and academia.

(ii)Add topics related to VM, Map-Reduce, containers and integration of cloud computing platforms in both theory and laboratory course. Also they suggested revisiting the experiments as few of them are primitive (Eg: Experiment XII)

(iii) Suggested to refer text book "Enterprise Cloud Computing" by Gautam Shroff to get insight of latest topics in cloud computing

(iv) Suggested to add the below textbook for Cloud Computing Theory and Laboratory syllabus
