INDUSTRIAL TOUR

The place which we have visited and experienced the field work is INCOIS Hyderabad, we have observed the process how work is done in day to day in climate change and observes the climate and notifies the cyclone.

Indian National Centre for Ocean Information Services (INCOIS), Hyderabad

Provides round-the-clock monitoring and warning services for the coastal population on tsunamis, storm surges, high waves, etc. through the in-house Indian Tsunami Early Warning Centre (ITEWC). The Intergovernmental Oceanographic Commission (IOC) of UNESCO designated ITEWC as a Regional Tsunami Service Provider (RTSP) to provide tsunami warnings to countries on the Indian Ocean Rim.

Conducts systematic quality checks and archives all observational, satellite and other oceanic data at the ESSO-INCOIS Data Centre and then makes such data available to students, researchers and any other users. ESSO-INCOIS has been designated as the 'National Oceanographic Data Centre' by IOC/IODE of UNESCO and is also identified as the 'Regional Argo Data Centre for the Indian Ocean'.
