## NEWSLETTER (2023 - 24)

### “SUMSHODINI 2023”

A National Level Student Technical Symposium was organized successfully during 2-3 Feb. This event was attended by several students across the Warangal have participated in various events and exhibited their talented also won fabulous prizes.

## WORKSHOP: “WORKSHOP ON ANDROID CONTROLLED ROBOT”

As part of Sumshodhini'22, on behalf of the department, the students of B. Tech. (EIE), B. Tech. (ECI) & M. Tech. (EV) in association with ISTE student Chapter and Technical Club, KITSW are organized a technical workshop - “WORKSHOP ON ANDROID CONTROLLED ROBOT” on 02nd Feb 23. The primary objective of the workshop was to provide participants with hands-on experience in building and controlling robots using Android devices. The workshop covered both hardware and software aspects, allowing participants to gain a comprehensive understanding of the intersection between robotics and mobile technologies. This workshop teaches you the overview of robotics and an introduction to the Arduino platform. Participants gained insights into the basic concepts of robotics, the role of microcontrollers, and the significance of Arduino in building robotic systems.

### 1-Day Workshop on Android Controlled Robot [2nd February 2023]

Workshop was conducted under the under the guidance of Head of the Dept.Dr. M.Raghran , Faculty In charges: Smt K. Shailaja & Sri B. Venu Maheshwar and Resource Persons: N VENKATA REDDY – CEO Teckybot Revatipati Manchala - Lead Technical Developer at Teckybot

### Workshop Benefits and & Highlights:

Here as we have mentioned above the particular that how the simulation (controlling of remote of Robot) and assembling of Android Controlled Robot as it is very expensive, we made sure that every student has done through hands. And every student has taken a race in our college premises everyone and happy. Everyone has given good response about our workshop. They felt happy and satisfied about the workshop. **Video Link of Android Controlled Robots :** <https://youtu.be/atSILruGNF8>

## Branch: Electronics Communication & Instrumentation Engineering

### TECHNICAL EVENTS:

1. Workshop: Workshop on Android Controlled Robot
2. PPT
3. Hidden Circuit 2.0
4. Master Minds
5. Brain combat
6. Arcadathon 3.0
7. Stress Buster
8. Jigsaw Jamboree

Various Technical events conducted by the students under the supervision of Faculty supervisors. Students from inter disciplinary were participated in the technical events

As a part of Industry Institute Interaction, the students (10 No.) of B.Tech. (ECI) visited esteemed organization T-HUB, Hyderabad, to get a practical insight of Entrepreneurship. The Department of ECI, KITSW College arranged an Industrial Visit for 3rd year students. We are happy to send our students to visit T-HUB on 2nd MARCH 2024. The III-year students along with 1 Faculty Coordinators Mrs. K. Shailaja and to visit the T- HUB center.

At T-Hub, we believe startups are the centre of the universe – the driving force behind transformative change. Our aim is to provide a launchpad for these visionaries, propelling them into the forefront of global innovation. Spanning across 5,85,000 sq ft, with a capacity to hold up to 1000 startups, the massive infrastructure is more than just an incubator. We are a community, a catalyst, and a driving force behind the future of entrepreneurship.

Sri Charan Lakkaraju is the Founder & CEO of Student Tribe (formerly known as stuMagz), a student discovery platform based in Hyderabad, Telangana, India. As the leader of Student Tribe, he has been instrumental in creating a platform that empowers students from tier 2 and tier 3 colleges. Let's explore more about Sri Charan and his contributions:

- Background: Sri Charan Lakkaraju has a strong background in entrepreneurship and leadership. He has also worked as a System Engineer at Infosys in the past

- Student Tribe: Student Tribe aims to connect students, provide opportunities, and foster a sense of community. It helps students discover resources, events, and career-related information. The platform focuses on bridging the gap between students and industry professionals
