DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

PARENTS SURVEY

Dear Sir/ Madam,

We appreciate your assistance in helping us to improve our educational program in order to better serve current and future Electronics & Instrumentation Engineering (E&I) students. Your opinion regarding the performance of your child and our educational program is very valuable to us. Please take a few moments to complete the following survey.

Please Return the Completed Form to:

Head
Department of Electronics & Instrumentation Engineering
Kakatiya Institute of Technology & Science,
Bheemaram (V), Hasanparthy (M)
Warangal – 506 015

Thank you for your cooperation.

Head

Department of Electronics & Instrumentation Engineering

B. Information for Assessment of Program Specific Outcomes (PSOs)

The followings are the Program Specific Outcomes of the Electronics & Instrumentation Engineering Program. Please indicate how important these **Program Specific Outcomes** are to your child during graduation using the following scale:

1: neutral **2:** Agree **3:** Strongly agree

	Program Specific Outcomes (PSOs)	1	2	3
PSO1	An ability for immediate professional practice as an Electronics & Instrumentation			✓
PSO2	An ability to use fundamental knowledge to investigate new and emerging technologies leading to innovations in the field of Electronic & Instrumentation Engineering		✓	

C. Information for Assessment of Educational Program Outcomes:

Based on your association with E&IE graduate(s), please suggest how well the Electronics & Instrumentation Engineering education at KITS College helped in preparedness of graduates in the following areas using the scale below.

1: neutral **2:** Agree **3:** Strongly agree

	Program Outcome	1	2	3
PO1	**Engineering knowledge**: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.		✓	
PO2	**Problem analysis**: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.	✓		
PO3	**Design/development of solutions**: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.		✓	
PO4	**Conduct investigations of complex problems**: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.			✓
PO5	**Modern tool usage**: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction		✓

	and modeling to complex engineering activities with an understanding of the limitations.			
PO6	**The engineer and society**: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.	✓		
PO7	**Environment and sustainability**: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.	✓		
PO8	**Ethics**: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.		✓	
PO9	**Individual and team work**: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings	✓		
PO10	**Communication**: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.		✓	
PO11	**Project management and finance**: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.		✓	
PO12	**Life-long learning**: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.			✓

D. Overall Evaluation

Please rate your overall impression on education of Kakatiya Institute of Technology & Science, Warangal.

S. No.	Criteria	Yes	No
1	I am pleased with the quality of Education at Kakatiya Institute of Technology & Science, Warangal.	✓	
2	In future, I would like to suggest my relatives to join their children in Electronics & Instrumentation Engineering of Kakatiya Institute of Technology & Science, Warangal.	✓

PSO1	An ability for immediate professional practice as an Electronics & Instrumentation		✓	
PSO2	An ability to use fundamental knowledge to investigate new and emerging technologies leading to innovations in the field of Electronic & Instrumentation Engineering		✓	

C. Information for Assessment of Educational Program Outcomes:

Based on your association with E&IE graduate(s), please suggest how well the Electronics & Instrumentation Engineering education at KITS College helped in preparedness of graduates in the following areas using the scale below.

1: neutral **2:** Agree **3:** Strongly agree

	Program Outcome	1	2	3
PO1	**Engineering knowledge**: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.		✓	
PO2	**Problem analysis**: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.	✓		
PO3	**Design/development of solutions**: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.		✓	
PO4	**Conduct investigations of complex problems**: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.		✓	
PO5	**Modern tool usage**: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction		✓	

KAKATIYA INSTITUTE OF TECHNOLOGY & SCIENCE
Opp : Yerragattu Gutta, Hasanparthy (Mandal), WARANGAL - 506 015, Telangana, INDIA.
काकतीय प्रैद्योगिकी एवं विज्ञान संस्थान, वरंगल - ५०६ ०१५ तेलंगाना, भारत
కాకతీయ సాంకేతిక విజ్ఞాన శాస్త్ర విద్యాలయం, వరంగల్ - ౫౦౬ ౦౧౫ తెలంగాణ, భారతదేశము
Estd-1980 KITSW
(An Autonomous Institute under Kakatiya University, Warangal)
(Approved by AICTE, New Delhi; Recognised by UGC under 2(f) & 12(B); Sponsored by EKASILA EDUCATION SOCIETY)
website: www.kitsw.ac.in E-mail: principal@kitsw.ac.in ✆ : +91 9392055211, +91 7382564888

DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

	and modeling to complex engineering activities with an understanding of the limitations.			
PO6	**The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.		✓	
PO7	**Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.	✓		
PO8	**Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.		✓	
PO9	**Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings	✓		
PO10	**Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.		✓	
PO11	**Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.		✓	
PO12	**Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.		✓	

D. Overall Evaluation

Please rate your overall impression on education of Kakatiya Institute of Technology & Science, Warangal.

S. No.	Criteria	Yes	No
1	I am pleased with the quality of Education at Kakatiya Institute of Technology & Science, Warangal.	✓	
2	In future, I would like to suggest my relatives to join their children in Electronics & Instrumentation Engineering of Kakatiya Institute of Technology & Science, Warangal.	✓
