Event Summary: -

As per the invitation, all the students of ECI gathered at block 2 new seminar hall along with ECIA body for arrival of the faculty members. As soon the faculty arrived along with HOD's, President and Vice President received them.

Maryam Yasmeen and Vamshi Krishna were the anchors for that day who invited **Dr. M. Raju** Sir HOD of ECE, **Dr. M. Raghu Ram** Sir HOD of EIE and Programme Head of ECI, **Dr. K. Srinivas** Academic Coordinator, **B. Venumaheshwar** sir Faculty Incharge ECIA, to come over the dais and occupy their respective seats.

As per the request of the anchors, **Dr. M. Raju** sir spoke few words and also shared his past experience with current 4th year students and also mentioned he taught them 3 subjects.

Dr. M. Raghu Ram sir shared future plans regarding ECIA as well as expectations regarding ECI students and Core members.

**ELECTRONICS COMMUNICATION &
INSTRUMENTATION ENGINEERING**

Dr. K. Srinivas sir shared his thoughts and inspiring word to students towards ECIA. Sir also mention that

ECIA is an only platform for gaining confidence and showcasing talent. Making memories is a great thing and association is a place where you can make memories with seniors as well as juniors and sir

also congratulated all the members of ECIA body and sir specially congratulated **B. Venumaheswar** sir who is close towards student community.

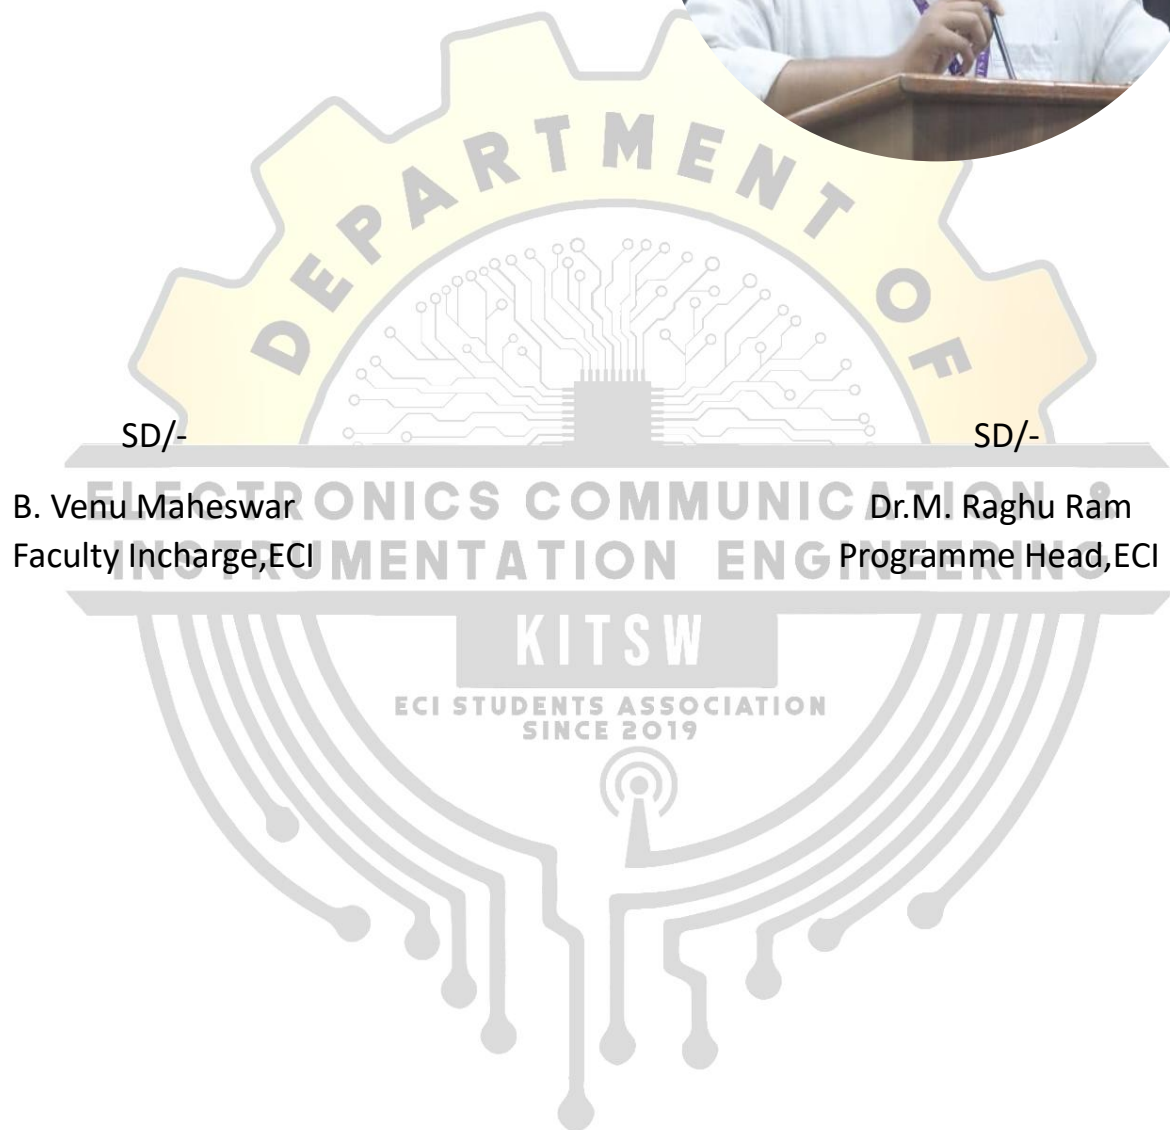

B. Venumaheshwar sir gave his wishes to body and also motivated students regarding association hours.

Once the speeches are done, all the faculty members are invited on to the dais for the poster launch.

The program
ended with vote of thanks
from President V. Balaram.

Department of Electronics & Communication Engineering (ECE)

Electronics Communication & Instrumentation Engg. Association (ECIA) – Event report

(Odd semester - A.Y 2023-24)

- At institute level, Student Mentoring and Career Guidance (SMCG) cell functions with a prime objective to centrally mentor and provide career guidance to the students.
- Based on the guidelines given from the Prof.I/c SMCG, through Faculty advisors of Electronics Communication & Instrumentation Engg. Association (ECIA), department is conducting Seminars/Awareness programs on Career guidance and higher education opportunities to the students during ECIA association hours.
- Through ECIA events, the department is encouraging students to participate in online career counselling sessions, webinars and workshops.
- Students are made aware about the career opportunities available through LinkedIn & other professional networking platforms

Highlights of event – "GATE, ESE: A Gateway to Prestigious Government Engineering Positions" by ACHARYA- Conducted on 9th December 2023:

- ✓ An awareness session on 'Opportunities through GATE and ESE' was organized by the department during ECIA hour in association with ECEA.
- ✓ Around 80 to 100 students attended the session and the **resource person was Sri Vasudhav Surya, Business Development Executive, Acharya Academy, Warangal.**
- ✓ The speaker discussed various aspects of acquiring admission into the premier institutions and their eligibility criteria, courses, etc. Resource person also spoke about scholarships and grants.
- ✓ In the talk of Power Point presentation, which displayed sample questions from the GATE along with details.
- ✓ Resource person provided an insight into the life of student in the IITs and NITs and the importance of planning in advance.
- ✓ The session was extremely helpful as it provided details how to prepare for GATE exam. The students were able to clear their doubts and understand the process of applying to IITs and NITs.

- ✓ Overall, the session was informative and interactive. The speaker enlightened the students about how their professionals have been in the industry for many years and have dealt with a wide range of situations.
