The Event was conducted by the 3rd year students of ECI on 02-09-2024 in New seminar hall block 2.

Organizers have arranged an event from heartfulness where everybody enjoyed the event.

We played a Secret Santa game recently, and it turned out to be quite an interesting experience. We wrote everyone's names on small chits of paper, and each person picked one at random. The twist was that you had to give a gift to the person whose name you got. It became a fun and exciting exchange, especially because it was played between seniors and juniors. The mix of people made it even more enjoyable, and the surprise element kept everyone guessing until the end!
