DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

Date: 03.02.2022

Action taken on stake holder's feedback on syllabus revision

Feedback from Stakeholders

The department has formal and informal mechanisms to obtain feedback from stakeholders through various committees, associations, organization, etc.

Feedback through Alumni

- Alumni suggested that they may be invited to the campus to interact with the students in order to update them about the difficulties being faced in the industry and the latest technologies.
- Alumni mentioned that the Fresh graduates need to be enlightened about the needs of the Automation industry at the University level.
- Alumni felt that the library facilities need to be improved.
- One of the alumni insisted that students must be educated about the Artificial Intelligence, IoT.
- Alumni expressed that they will extend their help to the students in doing in-plant training and also in placement

Action Taken:

- Alumni series of lectures were arranged so as to enable the students about the latest technologies and current scenario in Automation field
- Department has been provided with library, to access research papers digital library was also installed.
- Final year Students are encouraged to do projects on IOT.
