FEEDBACK FORM-Employers/ Recruiters

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our graduates' accomplishments of PEOs after their graduation and also to measure their attributes i.e. POs and PSOs on the day of graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.

DEPARTMENT OF MECHANICAL ENGINEERING

FEEDBACK FORM-Employers/ Recruiters

The Department of Mechanical Engineering, KITSW is implementing outcome based education as per the requirements of National Board of Accreditation. The followings are the program educational objectives, program specific outcomes and Program outcomes of the Mechanical Engineering programme. Based on your experience with Mechanical Engineering please indicate how important these objectives to the professional career. This will help the Department to evaluate and improve the effectiveness of the B. Tech (ME) programme and mould the students to output excellence in their career after graduation.

Objectives of the survey:

1. To gather information on the importance of the Programme Educational Outcomes (PEO), Programme Outcomes (PO) and Program Specific Outcomes (PSO) statements.
2. To measure our graduates' accomplishments of PEOs after their graduation and also to measure their attributes i.e. POs and PSOs on the day of graduation.

The Department of Mechanical Engineering would be grateful if you could spare some time to complete this survey form.
