EXPERT TALK SERIES

Sub.: Expert Talk - 1 on 14.09.2024 (Saturday) @ 3.00pm

* * *

The Expert Talk Series (ETS) bridges the gap between academic learning and industry requirements by providing students with valuable exposure to real-world scenarios and enhancing their employability-related skills. ETS nurtures lifelong learning and helps students develop competencies relevant to 21st century skills.

Commencement of First Expert Talk: ETS-1 Schedule

Date: 14.09.2024 (Saturday) Time: 3.00 pm

Title: Software Industry Expectations and Graduate Preparedness by

Sri Havish Kolachina, Head of Service Delivery, Kaptius India Pvt Ltd

Test: 3.50pm - 4:00pm (10 MCQs through MS Teams form)

Instructions and Guidelines:

1. Download and install the Microsoft Teams app on the device to be used for the test.
2. Ensure the device is fully charged and a stable internet connection is available.
3. Students should join ETS online using MS Teams (link shall be shared only through domain email) credentials at least 10 minutes before start of the talk.
4. Verify receipt of MS Teams login credentials. If credentials have not been received, contact the department ETS coordinator immediately.
5. **Use MS Teams login credentials twice: first for accessing the ETS session and again for accessing the ETS test link. Ensure your MS Teams login password is remembered. It will be needed both initially and when accessing the test link. If you forget the password, contact the department ETS coordinator to reset it.**
6. Enter the full roll number accurately when logging in. Incomplete or incorrect roll numbers will not be considered for attendance or tests.
7. Students are required to maintain a 100-page ETS NOTEBOOK to record their learnings.
8. Expert talk is followed by a 10 minute online quiz/test consisting of 10 multiple-choice or fill-in-the-blank questions covering the session's content.
9. Use the Q&A feature in Microsoft Teams for all interactions and queries during the session. Do not attempt to use the chat function, as it will be disabled.
10. The test will be conducted using the Microsoft Teams "Town Hall feature". Note that the chat function will not be accessible for participants during the Town Hall session
11. The test link will be provided through the Q&A feature, immediately@end of the session.
12. Evaluation criteria include Test scores (60 marks; 10 marks per each test), attendance (20 marks), and the final report (20 marks).

Active participation is encouraged.

Dr.K.Raja Narendra Reddy
Head, C-i²RE , KITSW
