5. The concerned course faculty is requested to prepare **COURSE LEVEL PRACTICE PROBLEMS (CLPs) SHEET** comprising problems at application and above level. The **CLP sheet** shall consist of minimum of 20 problems @ 05 problems from each unit. The problems of CLP sheet should be such that the student can expect similar difficulty level problems in the ESE.
6. Sharing the **CLP sheet** with the students, well in advance and instruct them to come prepared to solve the problems on board in tutorial class.
7. During tutorial class, the faculty shall instruct the students to start solving the Unit 3 & Unit 4 problems first (which will help students for MSE-II preparation) and in the remaining time of 3 class hours slot, the problems from Unit 1 & Unit 2 shall be given priority.
8. The course faculty shall give all necessary guidelines/help/instructions to the tutorial handling faculty for smooth conduct.
9. The faculty members allotted to conduct the tutorial classes are requested to adopt active learning strategy to give learning benefit to the students, keeping in view the preparation for MSE-II and ESE during these tutorial slots.
10. In light of the above, the course faculty is requested to prepare the CLP sheet and share with their concerned students on or before 27.02.2022 (Sunday).

Note: The HoDs are requested to ensure that the allotted faculty members to handle tutorial classes are not disturbed by allocating other works during those slots. In case of any clash with other activities, the concerned HoD should arrange some other faculty in place of allotted faculty.
