Sub: EDUCATION MUST BUILD CHARACTER

Started functioning in 1980, our institute KITSW has been producing disciplined & skilled graduates for Industry and Higher Education for the last 38 years.

Our visionary and most respected Management has built KITSW and made it a temple of learning. The faculty & staff are working with dedication and students are involved in learning with devotion. Parents are joining their wards in KITSW with a great hope that we impart knowledge, skill and qualities, make their wards responsible citizens and bring name and fame to their families.

Through CC camera surveillance, it has been observed that some irresponsible students (boys & girls) are displaying their indecorous conduct in classrooms during vacant / after working hours. The indecent activities of some of our irresponsible boys and girls might affect the image of our institute, if not corrected.

APPEAL:

To uphold the image and dignity of our 42 year old institute, I appeal all students to

- demonstrate right conduct, integrity and ethics
- treat their institute as temple of learning
- respect their campus
- respect their surroundings
- respect girls
- follow the dress code
- behave respectfully in their limits - so that we can provide a safe and inclusive learning environment

PUNISHMENT:

The punishment in case of displaying indecorous conduct will include suspending the badly-behaved students from the institute, without seeking any explanation and further enquiry.

Dear Students,

Education is expected to build character. Our institute is committed to take maximum care of our students and hence you are advised not to stay back after working hours.
