#### **Vision:**

To be a pioneering force in fostering innovation, entrepreneurship, and sustainable economic growth by nurturing a culture of creativity, empowerment, and entrepreneurial excellence within KITSW

#### **Mission:**

At EDC-KITSW, our mission is to align seamlessly with KITSW's vision and mission by:

**Empowering Innovative Entrepreneurs:** To empower and inspire aspiring entrepreneurs within KITSW, providing them with the knowledge, resources, and support needed to transform innovative ideas into thriving businesses.

**Fostering Responsible Leadership:** To cultivate a community of socially conscious, well-rounded leaders by promoting a sense of integrity, national pride, and nurturing the skills and mindset required for success in industry and society."

**Driving Economic Development:** To actively contribute to regional and national economic development through strategic partnerships, impactful events, and unwavering commitment to excellence, thereby creating a dynamic and thriving entrepreneurial ecosystem.

#### **Core Values:**

**Integrity:** We are committed to upholding the highest ethical standards and values in our interactions and operations, in line with KITSW's commitment to integrity.

**Quality:** We are committed to delivering quality in all our endeavours, from educational programs to events and resources to ensure knowledge and skills acquisition while providing the best possible support, aligning with KITSW's pursuit of excellence.

**Community:** We actively build a supportive and inclusive community, where collaboration and networking opportunities abound among students, faculty, alumni, and industry experts, fostering a sense of unity.

Accountability: We ensure that all members of EDC-KITSW are accountable for their work in support of KITSW's Vision and Mission, aligning with KITSW's core value of accountability.

Adaptability: We embrace change and continuously adapt to evolving entrepreneurial landscapes, ensuring our programs and services remain relevant.

Lifelong Learning: We encourage a culture of continuous learning and personal development among our students, fostering a spirit of curiosity and growth, in alignment with KITSW's mission of providing knowledge and skills.

Sustainability: We promote sustainable and socially responsible entrepreneurship, considering environmental and societal impacts, aligning with KITSW's commitment to ethical and responsible behavior.

**Objectives of EDC:**

- To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes on fulltime / part-time basis for final year students, alumni, educated unemployed and working professionals
- To introduce the concept of entrepreneurship in curricula in degree and PG levels
- To develop management personnel at appropriate levels for the non-corporate and unorganized sectors like rural development and small-scale industry
- To utilize the infrastructural facilities and technically trained manpower for the development of non-corporate and unorganized sectors
- To promote employment opportunities
