NATIONAL INSTITUTE OF TECHNOLOGY

WARANGAL – 506004

1. Introduction of Centre for Innovation & Incubation (CII), NIT Warangal

The main aim of CII-NITW is to promote innovations leading to new processes, products, designs and technologies in collaboration with industry and thereby facilitate application of knowledge to the society.

OBJECTIVES of CII-NITW:

- CII-NITW helps to promote greater industry – academic interaction, by inviting leading industries to set up their research labs at this Centre and carry out their research projects by using the talent on the campus
- To encourage the first-generation entrepreneurs desirous of R&D partnership with NITW or otherwise to establish their research labs at this Centre.
- To promote innovation projects of B.Tech, and M.Tech. Students by providing appropriate facilities, infrastructure, and financial assistance as per the norms of the Institute.
- To facilitate the ‘on campus interaction’ between the scientists of industries and faculty and students of NITW in order to enable orientation of R&D activities of NITW to potential needs of the industry.

Field visit Details:

A total of 40 participants have visited CII -NITW on 28th February, 2022. Also, faculty members Mr. K. Ajith, Mr. M. Srinivas and Dr. P. Sunil Prathap Reddy have guided the students during the visit. On reaching the CII-NITW, Students had an interaction session with head of CII-NITW. He made students understand that innovation can't happen only with knowledge of single stream but needs various streams to design a successful innovative product. He stated that books are only foundation but observing nature, finding the problems will help a student to get innovative ideas. He explained it by stating the example of Newton who discovered Laws of motion by observing a falling Apple. Sir then continued the role of CII in the campus. CII-NITW is an active student body which supports patents, start-up ideas, various events by students within the campus. The CII-NITW is open to all in-campus students from morning 8am to night 10pm for girls and 24/7 for boys. Every year a fund of 2 lakhs is being sanctioned to CII-NITW which shall be used when student needs funding for their prototype after clearing all rounds.
