2. ILS-I Lecture-1 Proceedings

Inauguration:

The Impact Lecture Series-I is inaugurated by Dr. P. Srikanth, Head, Center for Innovation Incubation Research & Entrepreneurship (C-I²RE), KITS Warangal and Dr. S. Sunil Pratap Reddy, Chairman, IIC, KITS Warangal in the presence of guests and audience in online mode (MsTeams). In his welcome address, Dr. S. Sunil Pratap, thanked AICTE / MIC for selecting IIC – KITSW as a host institute for Impact Lecture Series for the benefit of both faculty and students of HEIs located in the rural areas. He also thanked the guest speakers Mr. N. Akhil Kumar, founder & chief nutrition therapist, HEALVIA and Mr. B. Suresh Kumar, Managing Partner, AADI Engineering & Technologies for sharing their valuable time to motivate the participants on innovation and entrepreneurship.

In his address, Dr. P. Srikanth, detailed the role of C-I²RE at KITS Warangal to nurture the students towards job seekers to job givers. He also elucidated the various activities conducted and to be conducted by IIC, KITS Warangal with the support from MIC-India. He motivated the students, how these impact lectures will aid in becoming innovators and then entrepreneurs.

Lecture – 1: My Story - Motivational session by successful Startup founder

During his lecture, Mr. N. Akhil Kumar have shared his journey to become founder of his startup with the participants. He also elucidated the participants about how to become a successful startup founder.

The key points he described about startup are:

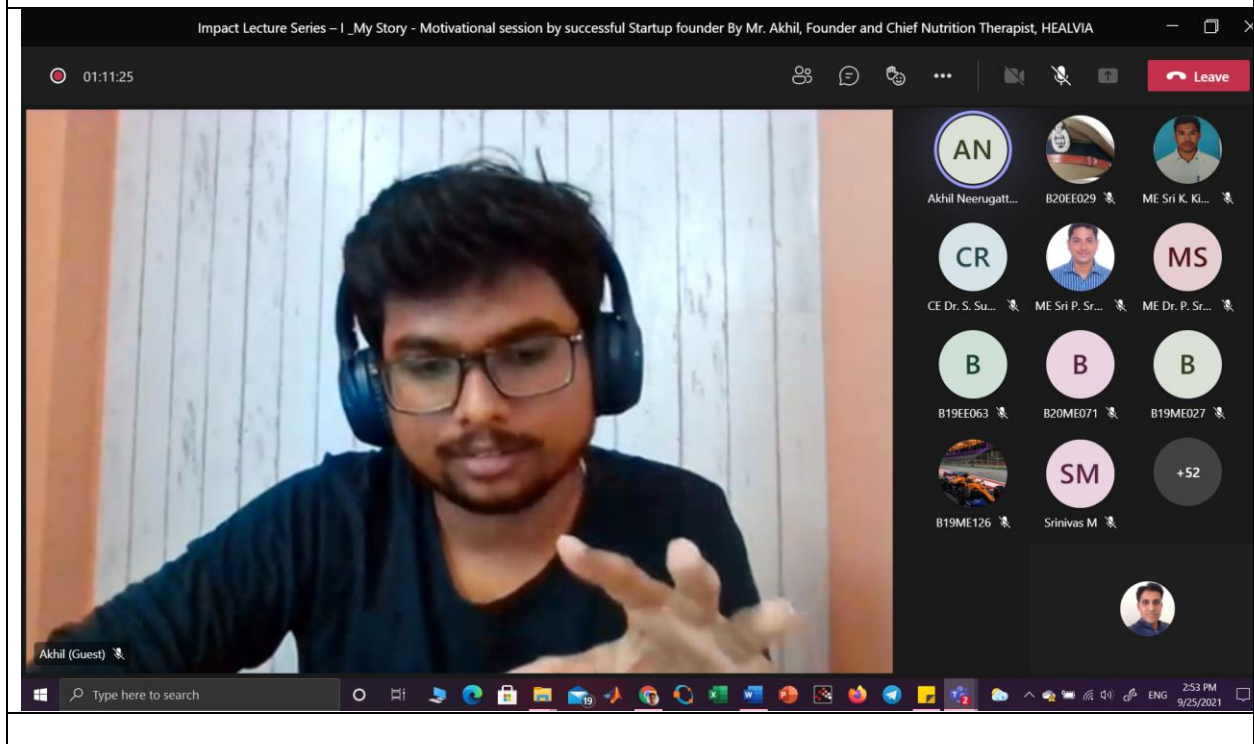

1. Service based startups need low investment.
2. Product based startups need more investment.
3. Advantages of digital marketing like Insta ads, google ads, facebook ads etc.,
4. Maintaining good financial literacy while approaching loans from banks or other funding agencies.

The key points he described about his startup are:

1. Everyone should have better nutrition plan like including fruits, vegetables, salads, rice, millets, nuts and seeds and avoid or minimize the intake of wheat, maida, tea, coffee and meat to maintain balance health.
2. He also informed the participants about balancing mental health for minimizing the anxiety and OCD with reading books, playing with kids spending time with friends and learning new things.

He then concluded his lecture with what areas one should look to venture into startups like, make boring things easy and fast. One can take a loan but understanding and managing the money is crucial.
