2. ILS-II Lecture-2 Proceedings

Inauguration:

The Impact Lecture Series-II is inaugurated by Dr. P. Srikanth, Head, Center for Innovation Incubation Research & Entrepreneurship (C-I²RE), KITS Warangal and Dr. S. Sunil Pratap Reddy, Chairman, IIC, KITS Warangal in the presence of guests and audience in online mode (MsTeams). In his welcome address, Dr. S. Sunil Pratap, thanked AICTE / MIC for selecting IIC – KITSW as a host institute for Impact Lecture Series for the benefit of both faculty and students of HEIs located in the rural areas. He also thanked the guest speakers Mr. K. Saketh Reddy, C.O.O & Data Science Trainer, Codegnan IT Solutions (OPC) Pvt Ltd and Mr. K. Sathwik, Co-founder, Rezilient Engineering Consultancy Pvt Ltd, Hyderabad for sharing their valuable time to motivate the participants on startups, innovation and entrepreneurship.

In his address, Dr. P. Srikanth, detailed the role of C-I²RE at KITS Warangal to nurture the students towards job seekers to job givers. He also elucidated the various activities conducted and to be conducted by IIC, KITS Warangal with the support from MIC-India. He motivated the students, how these impact lectures will aid in becoming innovators and then entrepreneurs.

Lecture – 2: Entrepreneurship and Innovation as Career Opportunity

During his lecture, Mr. K Sathwik elucidated the participants about how to become a successful entrepreneur and taking innovation as career opportunity.

The key points he described are:

1. What are the skills required for an entrepreneur?
 - a. Innovative
 - b. Create new ideas
 - c. Leadership, communication and Team work
 - d. Persistence and patience
2. Discuss with the existing industry experts before starting an enterprise.
3. Advantages of being entrepreneur than job seeker.

5. Extra efforts are required to make the enterprise successful and profitable.

6. Importance of having partners during initial stage of venture for sales, marketing and team building which are crucial areas where partners can be selected.
7. Relative merits of small business and enterprise.

He got inspired by Dr. A.P.J. Abdul Kalam's speech in IIT Bombay convocation, that **“the student from top institutes of India should not be job seeker but a job provider”**. He then described his story of becoming an entrepreneur, about his partners and his enterprise.

Then he described about following key points:

1. What is personal branding?
2. Branding is not about positioning yourself as something that you are not. Your brand shall be a true reflection of your skills, passions, values and beliefs.
3. Key to build your brand is Authenticity.
