SESSION-2(Day-2):

On this occasion Head, C-I square RE, Prof. Srikanth Pabba said that the objective of C-I square RE is to promote innovation and entrepreneurship culture through organizing student hackathons, workshops, conferences, interactive sessions with successful entrepreneurs. It has four pillars as IIC, MSME-BI, NISP and EDC for nurturing innovation and entrepreneurship culture among the student community and faculty.

According to the IIC, President, Dr. S. Sunil Pratap Reddy Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. The first four editions SIH2017, SIH2018, SIH2019 and SIH2020 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India. And the presentations of teams were concluded.
