1. Program Details

Program Summary

An Ideathon is a short, intensive, workshop-like experience for students to address some of the most pressing challenges of our time. Participants work in teams and use design thinking and innovative learning practices to ideate and collaborate on possible solutions.

What are the benefits?

A platform to inculcate a culture of product innovation and a mindset of problem-solving ability to solve the problems faced in our daily lives. In this connection we invite research oriented and innovative ideas for the following thrust areas and allied activities under I²RE.

Engage in an alternative, out of classroom experience

Be mentored by experienced faculty and also in industry

Gain 21st century critical skills in collaboration and design thinking, complete with final presentation to judges comprised of industry and educational leaders.

Thrust areas are as follows:

1. Internet of Things
2. Intelligent Robotics and Autonomous Systems
3. Low-power wearable and implantable systems
4. Micro-grid and Smart Grid Systems
5. Electric Vehicles
6. Mechatronics
7. Sustainability
8. Others

2. Proceedings

Inauguration:

The session is inaugurated by Dr. P. Srikanth, Head - Center for Innovation Incubation Research & Entrepreneurship (C-I²RE), KITS Warangal, Dr. S. Sunil Pratap Reddy, Chairman, IIC, KITS Warangal, Dr. Sumanth Kumar B, Coordinator, MSME – BI, KITS Warangal and Dr. Kumar Dorthi, convener, MSME – BI, KITS Warangal.

In his welcome address, Dr. Kumar Dorthi, thanked Management, IIC, MSME -BI – KITSW for providing an opportunity to the students and faculty for exhibit their ideas and skills in solving latest problems.

In his address, Dr. P. Srikanth, detailed the role of C-I²RE at KITS Warangal to nurture the students towards job seekers to job givers. He also elucidated the various activities conducted and to be conducted by IIC, KITS Warangal. He motivated the students, how these programs will aid in becoming innovators and then entrepreneurs.

Circular

Greetings everyone!

The centre for I²RE is happy to inform you that, to fill in the gaps in solutions required by the people, and help build the base for constructing the economic structure of a powerful India.

In view of this students and faculty to put on their thinking caps and create innovative solutions while looking out for local solutions to the local problems, that could be the generation leap India needs, to transform its social, cultural and economic ecosystem into a world leader.

Theme based Ideas in "MSME Ideathon 2.0" are being attached.

1. Internet of Things
2. Intelligent Robotics and Autonomous Systems
3. Low-power wearable and implantable systems
4. Micro-grid and Smart Grid Systems
5. Electric Vehicles
6. Mechatronics
7. Sustainability

1. Speaker Details

Shri. Mohammad Rahmatulla

Sr. DGM (Designs)

Pennar Industries Limited,

Education Qualification:

- D.C.E - Jawaharlal Nehru Govt. polytechnic Hyderabad. (1991 – 1995)
- B.Tech (Civil) : JNTU College of Engineering -Hyderabad (1996 -2000)
- M.Tech (ES): National Institute of Technology (NIT) Warangal (2001 – 2002)

Work Experience

- HAL Hyderabad (2003 – 2004) - 1 year
- Kirby Building system , Hyderabad- (2004 - 2009) – 4 Year
- Pennar Industries Limited – (2009 - Present)

Professional Summary

- Pre-engineered building (PEB) as a subject in PG level, introduced JNTU Hyderabad.
- Introduced PEB as subjected at VR Siddhartha Engineering College Vijayawada (JNTU Kakinada) in M.Tech & given faculty training on PEB for two months, two batches at Pennar industries Hyderabad.
- Training given to Faculty member sponsored by AICTE New Delhi for five days on “Pre Engineered
- Design Methodology and Limit State Design Applications. “PEB training material“prepared given to participants.
- Project guide for M.Tech, B.Tech, internship IIT Madras, NIT Warangal, JNTU (H, K, A), AU, IIIT – Hyderabad, Manipal University, MANU Hyderabad (Central University) etc.
- Training given to Faculty Development Program (FDP) , varies Intuition , University.
- Faculty development program (FDP) on PEB two days NATIONAL ACADEMY OF CONSTRUCTION, HYDERABD
- Training the Power Grid Corporation Limited (PGCL) New Delhi, Employees on IS800, on PEB three days at PUNE, BHUWANESHWAR, BARODA.
- Well Experience with Steel code IS800:2007, AISC code

2. Proceedings

Inauguration:

The session is inaugurated by Dr. P. Srikanth, Head - Center for Innovation Incubation Research & Entrepreneurship (C-I²RE), KITS Warangal, Dr. S. Sunil Pratap Reddy, Chairman, IIC, KITS Warangal and Dr. Sumanth Kumar B, Coordinator, MSME – BI, KITS Warangal in the presence of guests and audience.

In his welcome address, Dr. Sumanth Kumar B, thanked Sri. Mohammad Rahmatulla, Sr. DGM (Designs), Pennar Industries Limited, for accepting the invitation and for sharing his valuable time to motivate the participants on Business Model Canvas (BMC) based on experience in Pennar Industries. He also thanked the guest speaker Sri. Mohammad Rahmatulla, Sr. DGM (Designs), Pennar Industries Limited, in providing participants with new insights and knowledge that could help them grow their businesses and improve their skills against any obstacles. BMC tool used to visualize all the building blocks when you want to start a business, including customers, route to market, value proposition and finance

In his address, Dr. P. Srikanth, detailed the role of C-I²RE at KITS Warangal to nurture the students towards job seekers to job givers. He also elucidated the various activities conducted and to be conducted by IIC, KITS Warangal. He motivated the students, how these programs will aid in becoming innovators and then entrepreneurs.

The session was started with introduction of speaker from Dr. Sumanth Kumar, coordinator of the program.

Session on Business Model Canvas (BMC)

The key points he described are:

He stressed on “What a business model is?” He also explained in detail the ‘9 Building Blocks of Business Model Canvas’. He spoke extensively on the different customer segments and stressed on how to cater to different customer segments. He supported the same with the help of numerous examples. He further added that “different brands define itself in different ways”.

It can be described through 9 building blocks: Customer Segments, Value Propositions, Channels, Customer Relationships, Revenue Streams, Key Resources, Key Activities, Key Partnerships & Cost Structure.

Key resources are the primary inputs that a business requires to operate, create value for its customers, and achieve its objectives. These resources can be tangible or intangible, such as human capital, financial assets, physical infrastructure, or intellectual property

Business Model Canvas Advantages

- Focused on Key Strategic Elements.
- Is a Quick and Agile Construct.
- Creates a Common Reference Point.
- Focused on the Value Proposition.

“Designer business model is much more important than the product”. He also spoke extensively on value propositions. With a participation of around 140 students, the session was concluded by a vote of thanks.

Circular

Sub: - Request to circulate the information of Session on Business Model Canvas (BMC) to your department Faculty & Students, reg.,

Greetings everyone.

We are very happy to inform you that, as part of creating awareness among the faculty and students on Business Model Canvas (BMC), Institution's Innovation Council (IIC) & MSME-Business Incubator, KITS Warangal jointly organizing an offline Session on Business Model Canvas (BMC) on 13-03-2023 from 11.30AM to 12.30PM at Civil Engineering Seminar Hall by Shri. Mohammad Rahmatulla, Sr. DGM (Designs), Pennar Industries Limited.

All the faculty coordinators are requested to share the information to their department faculty and students and inform them to register and attend the workshop without fail. The details of the workshop are given below.
