# NATIONAL YOUTH DAY

Turning on the calendar to the January 12<sup>th</sup> it is celebrated as the national youth day. On this occasion the ECEA has set its agenda to conduct a session on youth day on 12-01-2023. The event has started with the embrace of the great man socialist and who played many roles in inspiring aspiring the young minds i.e Swamy Vivekananda.

Every year we celebrate this day on his birth anniversary. The student coordinators gave a kick start to the event by covering the students and the faculty coordinators. Everyone in the hall is just whispering about the greatness of the swamy Vivekananda which is a symbol of the success of this event.

Swamy Vivekananda has always been an inspiration till date for this motivational quote he is known for his philosophies and his writings. The famous is “**arise awake and stop not till the goal is reached**”. Vivekananda linked morality with control of the mind seeing truth purity and unselfishness as traits which strengthened it. He advised his followers to be holy unselfish and to have shraddha(faith). Vivekananda supported brahmacharya, believing it the source of his physical and mental stamina and eloquence. The students in the hall are really excited to share their views on the podium.

Swami Vivekananda's inspiring personality was well known both in India and in America during the last decade of the nineteenth century and the first decade of the twentieth. The unknown monk of India suddenly leapt into fame at the Parliament of Religions held in Chicago in 1893, at which he represented Hinduism. His vast knowledge of Eastern and Western culture as well as his deep spiritual insight, fervid eloquence, brilliant conversation, broad human sympathy, colorful personality, and handsome figure made an irresistible appeal to the many types of Americans who came in contact with him. People who saw or heard Vivekananda even once still cherish his memory after a lapse of more than half a century.

Now the time has come to have an enlightened of the faculty coordinators to aspire the students on this day.
