organized by

Technical Club

in association with

**Centre for Innovation Incubation Research &
Entrepreneurship (C-I²RE)**

Institution’s Innovation Council (IIC)

Venue: Silver Jubilee Seminar Hall, KITSW

Date: 05-11-2022

Brief Report

Technical Club – KITS Warangal organized a **One-day "IDEATHON"**. The event was inaugurated by in-charge principal Prof. P. Niranjan Reddy, KITSW, Prof. G. Raghotham Reddy, Dean Student Affairs, Sri. M. Narasimha Rao. Associate Dean Student Affairs and Dr. T Senthil Murugan, Faculty in-charge, Technical Club. This Ideathon was planned to provide a common platform for all the students to explore their best innovative ideas. Among those the best ideas would be implemented as multi-disciplinary projects under Technical Club and the students would present their idea which work in real-time scenarios. Students were enthusiastic and keen to share their idea and were seeking to do number of projects. The event was aimed to grasp the magic of innovations at its best. The event started on 05/11/2022 (Saturday) at 10:00 am. Finally, this one-day Ideathon successfully completed on a good note from students by 5:00 pm.

The event has attracted a great response with students despite having their externals. Students from all the branches have registered and participated in this event. Around 150 participants registered for the event out of which the best 100 were shortlisted. A whopping Cash-prize with merit certificates were given to the Top 3 Teams and all the participants were given participation certificate in order to encourage them.

Technical club is always ahead in learning new and emerging technologies. We designed the first ever website for an event, where students would interact with us through the site. It contains all the event description, aim & instructions along with sample PPT so that students would know core of the event.
