The focus of the Incubation Club is:

- Identifying and updating latest business knowledge to students through latest schemes and registration process through posters and online campaigning.
- Guiding the student startups through the business process.
- Identifying and updating students with new Problem Statements.
- Conducting regular Jam Sessions to provide more insights and identify the difficulties the students are facing in establishing their Business.
- Conducting existing startups meets in and around Telangana to build up networking with the startup owners and students.
- Identify and pursue an idea and develop it into a business.
