PITCH PERFECT

The “PITCH PERFECT” Event held on 9 November 2023 at Silver Jubilee Seminar Hall on the occasion of “NATIONAL ENTREPRENEURSHIP DAY” was an exciting and dynamic platform for individuals to showcase their innovative ideas and receive constructive feedback from a diverse audience. Organized by the **Student Alliance for Innovation and Leadership (SAIL)** under the Center for Innovation, Incubation Research and Entrepreneurship (C-i²RE), the event aimed to foster creativity, Start-ups and community engagement.

The event followed a structured format, providing each participant with a limited time to pitch their idea. The format included a brief introduction to entrepreneurship, SAIL and its activities, followed by the idea pitch. The pitches covered a wide range of topics, from technology and business ventures to social initiatives and artistic projects.

A distinguished panel of judges, consisting of Dr. Sunil Pratap Reddy, Dr. V. Raju Reddy, and Sri. K. Ajith, Sri. S. Chandramoul, Sri. K. Kishore, Mr Dhruvi S. Das, Mr Divyank Raj Phatak and Mr Teja Karra were responsible for evaluating the pitches. The criteria for assessment included the novelty of the idea, feasibility, potential impact and the quality of the presentation. The judges actively engaged with the presenters during the Q&A session, providing valuable insights and suggestions.

Feedback forms were distributed to both participants and audience members to gather insights on the event's strengths and areas for improvement. This feedback will be crucial for the organizers in planning future events, ensuring a better experience for both presenters and attendees. The event was not only a platform for idea pitching but also an excellent networking opportunity. Participants had the chance to connect with like-minded individuals and get to know their fellow entrepreneur students in our college.

The “Pitch Perfect” Event successfully fulfilled its objectives of providing a platform for idea expression, promoting diversity, and fostering community engagement. It catalyzed creativity and innovation, leaving participants and attendees inspired and motivated. The event's success suggests a promising future for similar initiatives that contribute to the growth of local talent and ideas within the community.

The success of the event would not have been possible without the dedication and hard work of the organizing team, the support of sponsors, the participation of enthusiastic presenters, and the engagement of the audience. We especially thank Dr. K. Raja Narendra Reddy sir Head of C-i²RE for their immense support and Founders lab Mentors Mr. K. Teja Sir, Mr. Divyank Raj Phatak sir and Mr. Dhruvi Das Sir for coordinating all the works. The organizers extend their gratitude to everyone involved in making the “Pitch Perfect” Event a memorable and impactful experience.

List of ideas pitched at the Pitch Perfect Event

Name	Roll No.	Branch	Batch year	Phone No.	Idea
