## SPEAKATHON

### Objective:

The objective of a Speakathon event is to provide participants with a platform to enhance their public speaking skills, confidence, and ability to articulate ideas effectively in front of an audience. The event aims to create a supportive and encouraging environment where participants can practice various aspects of public speaking, such as storytelling, persuasion, humor, and improvisation.

**Date: 21-02-2024**

The session began with the Coordinator of the Student Tribe offering a brief introduction to the Speakathon. They outlined the event's rules and procedures, ensuring clarity for all participants. Each student was assigned a unique serial number to streamline organization. Students hailed from various educational institutions across Warangal, including junior colleges, medical colleges, degree colleges, and engineering colleges. The venue chosen for the event was Kakatiya Institute of Technology and Sciences, Warangal, providing a central location accessible to all participants.

The event unfolded in the Silver Jubilee Seminar Hall, Block 4, where participants eagerly shared their ideas with a diverse audience. Commencing at 11:00 AM, students were allotted a strict 2-minute window to present their topics. To assist participants with time management, a placard system was implemented, allowing for seamless transitions between speakers. Additional preparation time was also available upon request, ensuring that participants felt adequately prepared and supported throughout the event.

Overall, the Speakathon provided an invaluable opportunity for students to showcase their public speaking skills and engage with peers from different educational backgrounds. Through clear guidelines and a supportive atmosphere, participants were encouraged to express themselves confidently and effectively. The event underscored the importance of effective communication and collaboration, fostering a sense of community among students and educators alike.

The participants were from the colleges Kakatiya institute of technology and science Warangal(KITSW), Vaagdevi degree and PG college, Vaagdevi pharmacy college, Vaagdevi College of Engineering, SR university, Ekasila junior college, Masterji Degree and PG college, New science degree and PG college , Chaitanya deemed to be university(CDU), Kakatiya medical college(KMC), Jayamukhi institute of technology and Sciences(JITS), Kamala Institute Technology and Sciences Huzurabad (KITS(S)),Sumathi Reddy Institute of Technology for Women (SRITW) and Kakatiya University(KU), Balaji Institute Of Technology and Sciences (BITS), University College of Engineering and Technology for Women (KU).

The participants were allowed to speak about their own topic which they are interested and are restricted to topics like politics and religious content .

### **Outcome:**

A Speakathon event functions as a crucible for participants to refine their public speaking skills and bolster confidence levels. Through active engagement and constructive critique, speakers enhanced storytelling, persuasion, and presentation techniques, cultivating an environment conducive to growth. Attendees forge connections, undergo personal transformation, and draw inspiration from the collective experiences shared.

By providing a supportive platform for self-expression and skill development, Speakathon events empower individuals to overcome barriers and amplify their voices, contributing to a more vibrant and dynamic public discourse.
