2022-IQAC5-2	<i>Appraisal on Conduction of online/Physical classes and examinations for UG & PG students during the ongoing COVID-19 Pandemic</i>
--------------	--

As per the guidelines of UGC / AICTE, the new A.Y. 2020-21 started on August 03, 2020 online classes through Microsoft Teams. The MSE-1 conducted for MBA III semester and B.Tech. III, V, VI semester from September 09, 2020.

In between, as per the guidelines stipulated by UGC/AICTE, we conducted End Semester Examination (ESE) of even semester of A.Y. 2019-20 from October 09, 2020. Due to severity of ongoing COVID-19 pandemic, the institute AAC has decided to conduct virtually invigilated / proctored online exams.

The teaching - learning process for the odd sem of A.Y. 2020-21 started from 03.08.2020 as per Almanac. MSE-II started for MBA III semester and B.Tech. III, V, VI semester from December 14, 2020 as per almanac. ESE for the odd semester of A.Y. 2020-21 was conducted for MBA III semester students from December 24, 2020 and B.Tech. III, V, VI semester students conducted from January 05, 2021.

Mandatory induction programme of B.Tech. I semester students started from December 02, 2020 as per guidelines issued by UGC / AICTE / and MSE-I was conducted from January 18, 2021. Started online classes to first year PG on January 07, 2021. B.Tech. even semester classes for A.Y. 2020-21 started from 07 February 2021 as per the almanac, via online mode. Now, the institute AAC has decided to conduct staggered laboratory classes in physical mode, exams in physical mode and physical mode classes to all PG students.

March, 2021

- The State government has resolved to take steps to reopen the colleges from February 1, 2021 following strict COVID-19 protocols. In this connection, staggered laboratory classes for B.Tech have been conducted.
- At the same time, physical mode of classes has been conducted for all M.Tech & MBA first semester students from March 01, 2021.

- After that, we conducted staggered offline examinations for MSEs and ESEs to PG students.
- Conduction of Laboratory Classes in Physical Mode for B.Tech First Semester Students from March 03, 2021 to March 13, 2021.
- End semester examinations (ESE) For B.Tech I semester has been conducted from 07-03-2021.
- As per the recommendations and resolutions in academic advisory committee (AAC) meeting, it has been decided to conduct staggered laboratory classes in physical mode for all semesters of B.Tech programmes to give hands on lab experience to the students.

April, 2021

- As per the G.O received from Govt. of Telangana, in view of COVID-19, our institute Kakatiya Institute of Technology and Science, Warangal suspended physical mode of classwork with immediate effect.
- In view of this, the institute's AAC decided to conduct classes through online mode for the II semester of B.Tech Programme for the A.Y. 2020-21 from April 19, 2021 (Monday).

May, 2021

- For IV, VI and VIII semesters of B.Tech Programme, Online Laboratory Classes, CIE and ESE Evaluation has continued to progress the A.Y. 2021-22.
- Mini Project, Major Project - Dissertation work for M.Tech. Programme and MBA viva voce has been conducted from 1st May, 2021 to 02nd June 2021.
- The II semester class work for M.Tech/MBA Programme of A.Y. 2020-21 have commenced on May 17, 2021 (Monday) and the classes were conducted in online mode.

June, 2021

- The results of B.Tech (I Semester) for A.Y. 2020-21 were declared on 29.06.2021.

August, 2021

- During the period of 19.8.2021 - 23.08.2021, B.Tech (IV, VI & VIII semester) & PG (odd semester) semester results were declared batch wise.
- Advanced supplementary examinations for B.Tech (I to VII) semesters were conducted in August, 2021.

The coordinator, IQAC appraised on online & Physical classes conducting for UG & PG students of AY 2020-21. In view of the Covid-19 pandemic and subsequent nationwide/statewide guidelines, the institute followed conduction of online & physical classes for UG & PG students, online & Physical assessment of mid examinations for UG & PG students of B.Tech. I, III, V & VII semester and M.Tech I semester and MBA I & III semester students for the odd semester of the academic year 2020-21.

2022-IQAC5-7	<i>Appraisal on IQAC activities organized during academic year 2020-21</i>
---------------------	---

IQAC of the institute has conducted various activities in association with Departments/sections for benefit of faculty in view Outcome Based Education (OBE) and training on Student Induction Programmes (SIP). The list of activities is given below.

- Induction program for first year students & curriculum revision as per AICTE model curriculum from 23.11.2021 to 30.11.2021.
- Conducted sequential student workshops on MATLAB software for all B.Tech first year students in the month of January 2021.
- Release of Institute Brochure for the academic year 2021-22 in October, 2021
- Release of Lab Records & Manuals of B. Tech I Year on 30.09.2021
- Conducted Academic Audit with external members for the academic year 2020-21 from 02.09.2021 to 03.09.2021.
- NIRF-2022 Data submitted on 18.02.2022

The members the IQAC are requested to note the activities organize by IQAC during 2020-21.

Appraisal on NIRF-2021 Ranking for the year 2020-21

The institute has applied for National Institutional Ranking Framework (NIRF) 2021, ranking as per the guidelines of MHRD, New Delhi. Institute has been placed in 150-200 rank band (Ranked - 197) in engineering category of India Rankings 2021 released by Educational Minister (Govt. of India) on September 09, 2021.

Resolution No. 2022-IQAC5-R 8: The Internal Quality Assurance Cell (IQAC) members noted the Institute placed in 150-200 (197) band in engineering category of NIRF 2021 ranking released by MHRD, New Delhi.

2022-IQAC5-9

Appraisal on preparations to submission of AQAR-2020-21 for the Academic year 2020-21

The coordinator, IQAC appraised the preparations on mandatory submission and uploading of the Annual Quality Assurance Report (AQAR) to NAAC portal and upload the same on the institutional website before 31st March, 2022.

2022-IQAC5-R9: The Internal Quality Assurance Cell (IQAC) members noted the preparations to submission of AQAR-Report for the Academic year 2020-21 to NAAC, New Delhi.

- b) Computer Science and Engineering
- c) Electronics and Communication Engineering

(ii). The Institute has applied for reaccreditation of UG programmes - B.Tech CE,ME,EEE & IT under Tier-I on 29.12.2021.

NBA New Delhi sent an e-mail saying that we need only submit a compliance report instead of SAR (self-assessment report) for re-accreditation, keeping in view the ongoing pandemic.

The Institute has submitted compliance for the above 4 UG programmes on 26.02.2022.

2022-IQAC5-12	<i>Appraisal on Institute Strategic Plan 2020-25</i>
---------------	--

STRATEGIC PLAN 2020-2025

In the next five years, we will focus our work in four areas, to ensure imparting quality education and creating industry-ready engineers.

Areas of Focus:

1. Outcome based education is to be implemented in its true spirit
2. Faculty should take up quality research and publish in quality journals and work for IPRs
3. Faculty should integrate their research expertise in course teaching
4. Expose students to innovation, incubation, research and entrepreneurial activities and make them life-long learners

Implementation

S. No.	Focused areas of strategic plan	Action plan
1	Outcome based education is to be implemented in its true spirit	<ul style="list-style-type: none"> • For effective implementation of OBE, creating a web portal for outcome based curriculum design and teaching-learning process. <i>A portal similar to the one at IIT kharagpur</i> • Feedback from Industry experts for continuous improvement in curriculum development and content delivery <ul style="list-style-type: none"> ▪ CourseWeb portal at KITSW is an initial beginning ▪ CourseWeb2.0, a new version of CourseWeb, to help the faculty to fully design outcome based course curriculum and implement, will be released soon for even semester course work of AY 2021-22
2	Faculty should take up quality research and publish in quality journals and work for IPRs	<ul style="list-style-type: none"> • To provide Institutional research funding to the faculty to do initial quality research and prepare quality research proposals for possible funding • Interaction with industry experts to work jointly on real world industry problems <ul style="list-style-type: none"> • The following are initiatives <ul style="list-style-type: none"> ▪ Faculty research support scheme(FRSS) to convert UG projects and PG dissertations into journal papers ▪ Faculty research incentive scheme(FRIS) ▪ Strict implementation of academic integrity policy and plagiarism check
3	Faculty should integrate their research expertise in course teaching	<ul style="list-style-type: none"> • To include case studies, research papers, patents in course teaching • Course projects to be offered to the course students in faculty research areas <ul style="list-style-type: none"> • The following are initiatives <ul style="list-style-type: none"> ▪ In URR18 and PRR20 curricula, doing course projects, summarizing course research papers, course patents by students for every course is an initial beginning
4	Expose students to innovation, incubation, research and entrepreneurial activities and make them life-long learners	<ul style="list-style-type: none"> • To establish a full-fledged innovation Incubation centre • Involving industry experts in course teaching and guiding student projects on industry problems • Involving alumni-entrepreneurs for supporting innovation eco-system & start-ups <ul style="list-style-type: none"> • The following are initiatives <ul style="list-style-type: none"> ▪ A centre for I²RE at KITSW is initiated to create the culture of innovation, incubation, research and entrepreneurship among students, as initial beginning

		<ul style="list-style-type: none"> ▪ Course teachers, in URR18 and PRR20 curricula, are integrating academic activities focusing I²RE culture into their course teaching
--	--	--

Each of these focused areas of strategic plan are to be implemented with SMART (Specific, Measurable, Attainable, Relevant, Time-bound) goals with measurable five-year milestones. While ambitious, all these goals are achievable and are very much necessary for planned development and growth of the institute. The plan requires specific implementation by faculty, staff, and student participants. Implementation of strategic plan will require the ideas, efforts, and commitment of our faculty and staff, as well as input and feedback from our students. For the plan to ultimately succeed, all stakeholders of KITSW must come together and play an important role in its realization. Institute academic advisory committee (AAC) will prepare an initial implementation plan that defines metrics, estimates resource needs and propose timelines for the realization of each priority in this strategic plan.

Our strategic plan, when successfully executed, would make engineering education at KITSW, which is academically meticulous, technically rigorous, collaborative and inclusive; there by attracting rankers from across the country. And education at KITSW would prepare industry-ready students to create significant societal impact, helping to shape the society a healthier and better place to live. This will enable us to own our identity as the premier technical education institute in Telangana and one of the top technology-focused institutes in India.

SHORT TERM GOALS

- Making **outcome based education**, the face of the institute
- Establishing full-fledged *Center for Innovation incubation Research and Entrepreneurship (I²RE)* and involving alumni-entrepreneurs for supporting innovation eco-system & start-ups
- **Collaboration with industries:** For industry relevant curriculum design, feedback on continuous improvement in curriculum design, course teaching, student internships and collaborative work on real world engineering problems
- **Collaboration with institutes of national importance:** Through these collaborations, we concentrate on areas of joint research programs, student and faculty exchange, academic assistance for doctoral research, cultural exchange and summer schools.

LONG TERM GOALS

- **International Collaboration:** Collaboration with foreign universities in the areas of faculty research, faculty and student exchange
- Taking the institute to **Deemed to be University status**

Our VISION

To make our students technologically superior and ethically strong by providing quality education with the help of our dedicated faculty & staff and thus improve the quality of human life

Our MISSION

- To provide latest technical knowledge, analytical & practical skills, managerial competence and interactive abilities to students, so that their employability is enhanced
- To provide strong human resource base to cater to the changing needs of the industry and commerce
- To inculcate a sense of brotherhood and National Integrity

Our Core Values

We value Integrity, Diversity, Excellence, Accountability and Quality....

We teach ... we learn... we interact... we nurture... we grow responsible citizens for tomorrow...

Suggestions from members of IQAC for Quality Teaching Learning Process - 2020-2025

Teaching- Learning Process Short Term Goals

1. Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences:
2. Preparation and adherence to Academic Calendar and Teaching plans by the institution:
3. Actions taken for improvement in T-L process:
4. I²RE: The core idea is to expose students and nurture the culture of Innovation, Incubation, Research and Entrepreneurship (I²RE).
5. Course Projects, Course Research Papers, Course Patents, Assignment based Teaching learning process (ATLP), Course Case Studies and Course Presentation (CP)/Case Study Presentation(CSP)

Appraisal on Faculty recruitments and Implementing new CAS/Direct recruitment Guidelines w.e.f. December, 2023.

The Management has accorded permission to recruit regular staff members by releasing advertisement in leading national and local news papers (both in English and Telugu). Based on the permission the Institute has released the advertisement Vide No. Recruitment/01/June, 2021 dated 18.06.2021 & Advt. No. Recruitment / Dec. /2021-22 Faculty Recruitment, Dated:23.12.2021 calling for applications from the suitable candidates for the post of Assistant Professors, Associate Professors and Professors in the field of engineering. Due to Covid -19 pandemic situation, the interviews were not conducted during the year 2021.

All the regular faculty who are eligible to get promotion under CAS are informed to submit the CAS applications in January, 2022.
