2024-IQAC7-3	*Apprisal on teaching-learning process and student counselling system for the A.Y - 2022-23*

Outcome based education system is implemented through the following process:
- ✓ Outcome based teaching schedule is prepared with session topics and outcomes and shared to students before the beginning of semester classwork

- ✓ Class discussion topics (CDTs) and Self Learning Topics (SLTs) are made available to students through CourseWeb module

- ✓ Question paper is designed with every question mapped to Cognitive Domain Learning Level (CDLL) & Course Outcome (CO)

✓ Attainment of course outcomes is calculated and OBE reports are prepared after every minor exams, mid-semester exams and end semester exams. Remedial classes are arranged for slow learners

A well-established counselling system is in place. Every faculty is assigned with four to five students from each semester. Every week there is one contact hour scheduled as Meet Your Counselor (MYC), where the students will be meeting their faculty counselor. Faculty counselor guides their counselees towards their career and addresses if there are any issues. Student' performance and attendance are recorded in Student Counselling Record book.
