

Instructions for students

Dear students,

- (i). Read the guidelines for completing Practicum
- (ii). Check for Practicum title which has been allotted to you. The allotment details should be available in the link
https://www.kitsw.ac.in/Practicum_Titles.html .
- (iii). Maintain a Practicum Record Book (a 100-page long notebook). You are advised to record all the work assigned by the Practicum Supervisor from time to time (mention date and time of visiting the supervisor)
- (iv). Meet the course teacher under whom you have been allotted Practicum and collect the aim and hypothesis (expected output/deliverables).
- (v). To complete the practicum, you should work in identified laboratories under supervision of allotted course faculty, in the allotted hours in the classwork timetable and also outside the class work hours during weekdays.
- (vi). Develop a prototype/ process/ system/simulation model on the given practicum topic
- (vii). Demonstrate the developed prototype/ process/ system/simulation model during the allotted time, before the course teacher.
- (viii). Prepare PPT with informative slides and make an effective oral presentation before the course teacher as per the schedule notified by the department
- (ix). Create a pitch video, which is a video presentation on your Practicum, and present it along with PPT to the course teacher.
- (x). Submit a well-documented report on the allotted practicum topic as per the format specified by the course faculty as per the timelines.
