DEPARTMENT OF INFORMATION TECHNOLOGY

Four Week Offline Student Summer Internship Programme (SSIP)

On

Industry-Oriented Java Full Stack Development Training using React, Node.js & MySQL

2nd June, 2025 to 27th June, 2025 (4 Weeks)

Registration Details:

- Eligible Participants are B.Tech II and III year
- Rs. 1500 per each participant for 4 week internship
- Registration fee including certificate of participants
- Last date for Applications: 30th May 2025.

For Registration:

<https://shorturl.at/b3V0b>

VENUE: NS Lab (Block -II, 203), Department of IT, KITSW

Objective of the Training

The primary objective of this training program is to bridge the gap between academic knowledge and industry expectations by equipping students with hands-on experience in Java Full Stack Development. Through this Internship, students will:

- Gain expertise in building responsive user interfaces using React JS
- Develop and secure backend services using Node JS and Express
- Perform database operations with MySQL
- Learn to integrate frontend and backend systems effectively
- Build a portfolio-worthy project that demonstrates industry-ready skills

SSIP Outcome: Upon completion of the SSIP the student will be able to develop a Real Time application project using Java Full stack.
