Dear Students,

Subject: Remedial Classes for Students with Backlogs - B. Tech (All branches)

To support your academic progress, remedial classes have been scheduled for students with backlogs as per the timetable given below. These sessions are designed to help you strengthen your understanding of key topics and improve your performance in upcoming exams.

During these classes, faculty members will:

- Cover important topics relevant to your subjects.
- Provide necessary inputs, study materials, and guidance.
- Share previous years' question papers along with solutions, if available.

You are strongly encouraged to attend these sessions and make the most of this opportunity to clear your doubts and enhance your preparation.
