Sub: After College Hours – FIRST YEAR STUDENTS - Computer Lab Facility for Programming Practice - IBM Lab @ B-II during 4.00 pm – 7.00 pm daily - Reg.

***

Few first year students have approached the administration expressing the need for additional time to practice coding, and other assignments on the NeoPAT and NeoCOLAB platforms. They have requested for one computer laboratory facility after the regular classwork i.e. from 4.00 pm onwards
In view of first year students requirements the following lab will remain open for students to practice programming languages after college hours:

Lab	:	IBM Lab, Dept. of CSE
Location	:	Block-II, First Floor
Time	:	4.00 pm – 7.00 pm (Monday to Friday)
		1.00 pm – 5.00 pm (Saturday)

This initiative especially aims to support the students who wish to make the most of their academic resources beyond regular class hours.

All first year students are encouraged to make effective use of this facility, as consistent practice is key to enhancing programming skills. While availing the lab facility, the students are expected to maintain discipline and follow lab usage rules.

HAPPY LEARNING!

PRINCIPAL

To
All students through HoDs concerned

Copy to: 1. The Chairman, KITSW
     2. Registrar
     3. Dean, Academic Affairs, to release the faculty & staff duties chart
