

CIRCULAR

DEAR STUDENTS!

**SUB: Caution about Registering unauthorized trainings- - Reg.**

We have noticed that a few of our B.Tech first year students have registered for a third party training program to improve their skills and also a few of them paid the amount to the third party vendor. In this regard, we strictly advise the students to be vigilant.

Institute shall not be held responsible for any such instances. The students are strictly notified not to share such links in the class groups without the permission of the concerned HoD.

In this Matter, this is to inform you that, trainings, workshops or assessments will be conducted only by Training & Placement cell or HoDs. Henceforth, all the students should be cautious before you enrol or register for external commercial trainings. However, the students can take up online free courses for enhancing their **competencies**.
